April 18, 2024

There is no school tomorrow for a staff professional development day. Wednesday, April 24th is an Early Release Wednesday.

Next week is **National Student Leadership Week**. At Lincoln, we offer over 55 clubs/activities and over 21 interscholastic sports. We sponsor these student leadership activities to provide students with vital experiences in exercising a voice in matters of common concern, reconciling diverse interests, and selecting leaders. Our student leaders are a positive influence on their peers, modeling good character and scholarship in and out of the classroom, and serving as change agents to improve the overall school climate. We also want to thank our dedicated advisers and coaches for helping our students develop the essential traits and characteristics of a leader and providing the positive experiences necessary to expand their skills and foster their paths to becoming effective leaders. We encourage all students to become involved in at least two school activities per year. [To learn more about our clubs and sports, visit our activity webpage.](#)

Juniors who took the ACT in March as part of the required state assessment should be able to access their scores at [my.act.org](http://my.act.org). If you are unable to access your score, please contact Ms. Elgersma in the Success Center.

With **AP® Exams** about a month away, encourage AP teachers and students to take advantage of AP Daily: Practice Sessions—a video resource designed to help students review course content and practice applying what they've learned throughout the school year.

These videos will be available on Monday, April 22, on both [AP Classroom](#) and [YouTube](#).

AP Daily: Practice Sessions highlight free-response and multiple-choice questions, to help students get familiar with the types of questions they'll see on their AP Exam(s).

Every video will be approximately 15 minutes long and remain accessible through the AP Exam administration so that students can watch at times that work best for them. [Learn more](#) about how AP Daily Practice Sessions, as well as other AP Daily videos, can help students prepare for exam day.

**April is Stress Awareness Month**—a timely reminder to prioritize mental health and well-being. In the midst of academic demands and daily responsibilities, it's crucial for both students and staff to take moments throughout the day to reset and practice mindfulness.

Remember to take some breaks. Step outside, take a few deep breaths or engage in a quick mindfulness exercise. Your well-being is paramount, and these small breaks can make a significant difference in managing stress. Allow these moments to rejuvenate your mind, so you can have a focused and productive study session.

Remember, your mental health matters, and taking proactive steps to manage stress is a sign of strength. If you or someone you know needs support, Care Solace is available 24/7/365 for confidential mental health care coordination:

- Call: 888-515-0595 (Multilingual support available)
- Visit: [www.caresolace.com/wrps](http://www.caresolace.com/wrps)

Take the time you need, practice mindfulness, and thrive.

Suppose you know of a business that wants to support our athletic programs. In that case, we have advertising opportunities available on the new South Wood County Video Board and static signage in our Field House, Natatorium, and Auxiliary Gym. Please contact the [athletic department](#) if interested.
