

Wisconsin Rapids Public School District - Board of Education 510 Peach Street Wisconsin Rapids, WI 54494 (715

(715) 424-6701

AGENDA

Business Services Committee

John Benbow, Jr., Chairman Katherine Bielski-Medina, Member Troy Bier, Member John A Krings, President

April 4, 2022

LOCATION: Board of Education, 510 Peach Street, Wisconsin Rapids, WI 54494 Conference Room C

TIME: Immediately following the Educational Services Committee Meeting, but not before 6:15 p.m.

- I. Call to Order
- II. Public Comment

Persons who wish to address members of the Committee may make a statement pertaining to a specific agenda item. The Committee Chair will establish limits for speakers due to time constraints. Comments made by the public shall be civil in content and tone. Speakers bear the personal risk if comments made are defamatory, slanderous, or otherwise harmful to another individual. Please keep in mind that this is a Committee meeting of the Board open to the public, and not a public hearing.

III. Actionable Items

- A. Lincoln High School Basketball and Volleyball Systems Approval
- B. 2022-23 Trade House Application Selection Approval
- C. Revised 10-Year Facility Plan Approval
- D. Frontline 3-Year Contract Approval
- E. Washington Elementary New Serving Line Approval
- F. 2022-23 School Year Breakfast & Lunch Pricing Approval

IV. Updates and Reports

- A. Purchases Update
- B. Lincoln HS Miron Construction Schedule Update
- V. Agenda Items
- VI. Future Agenda Items

The Wisconsin open meetings law requires that the Board, or Board Committee, only take action on subject matter that is noticed on their respective agendas. Persons wishing to place items on the agenda should contact the District Office at 715-424-6701, at least seven working days prior to the meeting date for the item to be considered. The item may be referred to the appropriate committee or placed on the Board agenda as determined by the Superintendent and/or Board president.

With advance notice, efforts will be made to accommodate the needs of persons with disabilities by providing a sign language interpreter or other auxiliary aids, by calling 715-424-6701.

Wisconsin Rapids Public School District - Board of Education 510 Peach Street Wisconsin Rapids, WI 54494 (715

(715) 424-6701

BACKGROUND

Business Services Committee

John Benbow, Jr., Chairman Katherine Bielski-Medina, Member Troy Bier, Member John A Krings, President

April 4, 2022

LOCATION: Board of Education, 510 Peach Street, Wisconsin Rapids, WI

Conference Room C

TIME: Immediately following the Educational Services Committee Meeting, but not before 6:15 p.m.

- I. Call to Order
- II. Public Comment
- III. Actionable Items
 - A. Lincoln High School Basketball and Volleyball Systems Approval

Specialty Closures Inc. has provided the District with a quote for 4 rear fold basketball backstops by Porter Athletics for the main basketball court and one cross court. The current main court backboards do not meet WIAA guidelines because the backboard bottoms are below the rim of the basket. In addition, the current basketball backboards hang low when raised and interfere during volleyball games, precluding us from hosting sectional volleyball games. With other possible field house modifications in the future, the cross court basketball backboards would also need this upgrade. Included within the quote from Specialty Closures Inc., is an overhead volleyball system with judges stand. This volleyball system will save staff significant time during setup and take down. In addition, interest has been expressed to explore a boys' volleyball team and the overhead volleyball system allows the net to be mounted at different heights automatically. Installing the rear fold basketball backstops will make the overhead volleyball system possible.

The Administration recommends approval of purchasing 4 rear fold basketball backstops and the overhead volleyball system from Specialty Closures Inc. for a total cost of \$62,585.00 to be funded by the LHS Building and LHS Athletic Budget.

B. 2022-23 Trade House Application Selection – Approval

The Committee will review the Trades House Committee recommendation for a 2022-23 trades house to be constructed by the Lincoln High School Trades House Construction class.

C. Revised 10-Year Facility Plan – Approval

The 10-Year Facility Plan has been reviewed and updated, adding new items and completing finished items. The Board is required to maintain a 10-Year Facility Plan if funds are to be expended from the Capital Improvement Fund 46 (see Attachment B).

The Administration recommends approval of the revised 10-Year Facility Plan.

D. Frontline 3-Year Contract – Approval

Frontline Education provides the District with Time & Attendance Software and Absence Management & Substitute Management Software that integrates with our payroll software. Frontline has provided a quote for a three-year contract that includes an annual increase of 4.5%

per year. If any annual price increase is less than 4.5% then we will receive the lower price increase (see Attachment C).

The Administration recommends approval of the 3-year contract with Frontline Education for the maximum three-year amount of \$109,613.73 to be funded by the Human Resources and Business Office Budget.

E. Washington Elementary New Serving Line – Approval

The current serving line at Washington Elementary is in need of an update and remodel. Their current serving line has 3 steam wells, no sneeze guards, and the cabinets underneath the serving line are constructed of wood. Since the current serving line was fabricated for Washington Elementary and built into the space, an entire remodel of the serving line will be required. This will include replacement of the cabinets with stainless steel, additional hot wells, security door, cold wells for fruits and vegetables, sneeze guards, plumbing, and electrical. Quotes will be available for the Business Services Committee to review and possibly approve on April 4, 2022.

F. 2022-23 School Year Breakfast & Lunch Pricing - Approval

As a result of the COVID pandemic, school breakfast and lunch meals were offered free of charge to students during the 2020-21 and 2021-22 school years. The USDA has indicated the free meal waiver will not be available for the 2022-23 school year requiring WRPS to charge for breakfast and lunch at Grant, THINK, Woodside, WRAMS and LHS. Meals will continue to be free at Grove, Howe, Mead, Washington and RCHS, under the previously established Community Eligibility Program (CEP). Prices for breakfast, lunch and extra milk have been revised to include increased vendor costs (see Attachment D).

The Administration recommends approval of the 2022-23 School Year Breakfast & Lunch Pricing.

IV. Updates and Reports

A. Purchases – Update

Copies of the following invoices, bid specs and purchase orders will be reviewed:

- Altmann \$30,000.00 App #9 Quadplex
- Boelter Companies \$12,045.93 Refrigerated Case Food Service
- Learning Without Tears \$14,894.50 Curriculum Kit Spec Ed Preschool
- Maccos \$12,980.00 EJH 2nd Hallway Flooring
- PDS \$12,339.00 Chromebooks COA

B. Lincoln High School - Miron Construction Schedule - Update

Miron Construction has provided us with a baseline schedule for the referendum work that is taking place at Lincoln High School. At this time final completion is projected to be January 16, 2023 (see attachment E).

V. Agenda Items

Committee members will be asked which agenda items from the Committee meeting will be placed on the consent agenda for the regular Board of Education meeting.

VI. Future Agenda Items

No future agenda items of the Business Services Committee were identified.
