VI. Future Agenda Items

The Wisconsin open meetings law requires that the Board, or Board Committee, only take action on subject matter that is noticed on their respective agendas. Persons wishing to place items on the agenda should contact the District Office at 715-424-6701, at least seven working days prior to the meeting date for the item to be considered. The item may be referred to the appropriate committee or placed on the Board agenda as determined by the Superintendent and/or Board president.

With advance notice, efforts will be made to accommodate the needs of persons with disabilities by providing a sign language interpreter or other auxiliary aids, by calling 715-424-6701.

School Board members may attend the above Committee meeting(s) for information gathering purposes. If a quorum of Board members should appear at any of the Committee meetings, a regular School Board meeting may take place for purposes of gathering information on an item listed on one of the Committee agendas. If such a meeting should occur, the date, time, and location of the Board meeting will be that of the particular Committee as listed on the Committee agenda **however, no deliberation or action will be taken by other Committees or the full Board of Education.**

BACKGROUND

Business Services Committee

John Benbow, Jr., Chairman

October 2, 2023

LOCATION: Board of Education Office, 510 Peach Street, Wisconsin Rapids, WI 54494
Conference Room C

TIME: Immediately following the Educational Services Committee Meeting, but not before 6:15 p.m.

I. Call to Order

II. Public Comment

III. Actionable Items

A. 66.03.01 Inter-District Agreements - Project Search Program Agreement - Approval

The District's Project Search program has attracted two students from the Nekoosa School District. Non-resident students are allowed into the program provided the two Districts enter into a cooperative 66.03.01 agreement.

The Administration recommends the approval of entering into a 66.03.01 cooperative agreement with the Nekoosa School District for the students attending the Project Search program.

B. Purchase of District Minivans - Approval

There are several District minivans with mileage over 165,000 and one with more than 195,000 miles that need replacing. Quotes were received from local dealerships considering vehicle age mileage. Johnson & Sons Chrysler dealership provided a total cost of \$89,915.00 for the purchase of three minivans. Due to the immediate need in the District, the vehicles were picked up and are currently in service. Car dealerships are unable to hold used vehicles for more than a few days (see Attachment A).

The Administration recommends approval of purchasing the three minivans for a total cost of \$89,915.00 from Johnson & Sons Chrysler to be funded by the 2023-2024 Transportation budget.

C. Purchase of Kubota Tractor - Approval

A 2000 John Deere tractor that is used for earthwork in the summer, and snow removal/sidewalk sweeping in the winter needs to be replaced. The Buildings and Grounds Maintenance Department tested several tractors and determined the Kubota M7060 would be the best fit for the District. Quotes from 3 different dealerships for a Kubota tractor and loader are as follows (see Attachment B):

Chili Implement - \$64,400.00

Loken Equipment - \$62,526.00

Service Motor Company - \$59,683.24

The Administration recommends approval to purchase a Kubota Model M7060 tractor and loader from Service Motor Company at a cost of \$59,683.24 to be funded by the 2023-2024 Buildings & Grounds budget.

D. District Cargo Van Purchase - Approval

The District cargo van, a 2000 GMC, needs replacing due to a variety of mechanical issues. Quotes received for a new 2024 Chevrolet Express 2500 work van are as follows (see Attachment C):

Wheelers - \$39,075.00
Ewald Auto - \$38,171.00

Even though Ewald is \$904.00 less, the preferred option is to buy local from Wheelers for service and logistical reasons.

The Administration recommends approval to purchase a 2024 Chevrolet Express work van from Wheelers for a total cost of \$39,075.00 to be funded by the 2023-2024 Buildings & Grounds budget.

E. Revised 10-Year Facility Plan - Approval

The District 10-Year Facility Plan has been reviewed and updated, adding new items and removing finished items. The Board is required to maintain a 10-Year Facility Plan if funds are to be expended from the Capital Improvement Fund 46 (see Attachment D).

The Administration recommends approval of the revised 10-Year Facility Plan.

F. Purchase of Cafeteria Tables - Approval

The cafeteria tables at Woodside, Howe, Washington, Grant Elementaries and THINK Academy need replacement due to being old and heavy which puts employees at risk when setting them up or taking them down. Requested bids for the new cafeteria tables are as follows (see Attachment E):

School Specialty (including a CESA purchasing discount) - \$169,820.13
Duet - No Bid
Marshfield Book and Supply - No Bid

The Administration recommends approval to purchase cafeteria tables for Woodside, Howe, Washington, Grant Elementaries and THINK Academy for a total cost of \$169,820.13 from School Specialty to be funded by the 2023-2024 Fund 46 budget.

G. Lincoln High School Environmental Sensors - Approval

In the spring of 2023, the District purchased 10-Verkada environmental sensors for Wisconsin Rapids Area Middle School. These sensors are used to detect temperature, humidity, sound level, particulate matter, smoke and vaping. These sensors can be installed in areas that are hard to cover with cameras or where cameras are not allowed, such as restrooms and locker rooms. Alerts are sent out via text and email if any of the set thresholds are met. The District would like to expand the use of these environmental sensors and install them in restrooms at Lincoln High School.

In order to cover Lincoln High School first and second floor restrooms, a total of 27-Verkada environmental sensors need to be purchased along with the installation of network cabling from the network switches to the sensors (see Attachment F).

The total cost breakdown is as follows:

27-Verkada Environmental Sensors w/10Yr License	-	\$49,680.00
Wiring - Current Technologies (District preferred vendor)	-	\$9,315.00
Total Cost	-	\$58,995.00

The Administration recommends approval to purchase 27-Verkada environmental sensors from Bluum and the network installation from Current Technologies for a total cost of \$58,995.00 to be funded by the 2023-2024 Fund 46 Budget.

IV. Updates and Reports

A. Purchases - Update

Copies of the following invoices, bid specs, and purchase orders will be reviewed:

- Nassco - \$11,506.32 - Food Service - Cleaning Supplies
- Nexus Inv. - \$17,314 - B&G Budget - Lincoln HVAC Commissioning

B. Food Service Community Eligibility Program - Update

The District was approved to have the following schools participate in the Community Eligibility Program: Central Oaks Academy, Grove Elementary, Howe Elementary, Mead Elementary, Pitsch Early Learning Center, River Cities High School, Washington Elementary and Wood County Alternative (operated by CESA 5 at East Junior High), (see Attachment G).

These schools will receive free breakfast and lunch meals based on their overall free/reduced eligibility.

V. Agenda Items

Committee members will be asked which agenda items from the Committee meeting will be placed on the consent agenda for the regular Board of Education meeting.

VI. Future Agenda Items

Mr. Craig Broeren
 Superintendent
 Wisconsin Rapids School District
 510 Peach St.
 Wisconsin Rapids, WI 54494

Dear Craig Broeren,

The Wisconsin Department of Public Instruction School Nutrition Team has reviewed and approved your request to increase the Identified Student Percentage for Wisconsin Rapids School District as a participant in the Community Eligibility Provision (CEP) for the 2023-24 School Year (SY), as well as add Central Oaks Academy to CEP.

The following are the approved CEP sites including the new Identified Student Percentage, approved claiming percentages, and participating sites:

Participating as: Individual Site & Group One

School Code	Participating Site Name	Participating as:	Cycle Year	Identified Student Percentage	Free Claiming Percentage	Paid Claiming Percentage
190	Central Oaks Academy	Individual Site (School 1)	1	40.16%	64.26%	35.74%
80	Grove Elementary	Group 1	1	62.78%	100.00%	0.00%
120	Howe Elementary	Group 1	1	62.78%	100.00%	0.00%
170	Mead Elementary	Group 1	1	62.78%	100.00%	0.00%
140	Pitsch Early Learning Center	Group 1	1	62.78%	100.00%	0.00%
430	River Cities High School	Group 1	1	62.78%	100.00%	0.00%
280	Washington Elementary	Group 1	1	62.78%	100.00%	0.00%
9410	Wood County Alternative School	Group 1	1	62.78%	100.00%	0.00%

In the table below are the approved **Individual School Identified Student Percentage(s)**.

NOTE: These numbers are not to be used for claiming. Since the 1.6 multiplier is intended to provide an estimate of the total number of students eligible for free and reduced-price meals in eligible schools, the product of the **individual school ISP** multiplied by 1.6 will be used to estimate the total number of students eligible for free and reduced-price meals at the **individual school level**. This information is needed because most CEP schools share percentages which would be an inaccurate representation of an **individual schools'** free and reduced-price meal eligible population. This information will assist in reporting for the Fresh Fruit and Vegetable Program, Afterschool Snack Program- Area Eligibility, Equipment Grants, and other programs requesting an estimate of the total number of students eligible for free and reduced-price meals **at the school level**.

School Code	Participating Site Name	Individual School Identified Student Percentage
190	Central Oaks Academy	40.16%
80	Grove Elementary	63.59%
120	Howe Elementary	62.15%
170	Mead Elementary	80.54%
140	Pitsch Early Learning Center	60.78%
430	River Cities High School	70.54%
280	Washington Elementary	43.23%
9410	Wood County Alternative School	63.64%

Be sure to keep this documentation on file for audit purposes for the entire period CEP is in effect. This includes any grace years or other re-calculations. In addition, records must be retained for 3 years after the submission of the final claim for reimbursement for the last fiscal year of CEP.

The established Identified Student Percentages are guaranteed for a 4-year cycle, these percentages are guaranteed through the 2026-27 SY cycle year. CEP participating schools will need to inform the School Nutrition Team annually of their intent to continue participation in CEP, or of any change to participation (i.e. withdrawal, change of participating schools, groups or requested increases to percentages).

Sincerely,

Jessica Sharkus, RDN, CD
