TIME: 4:30 p.m.

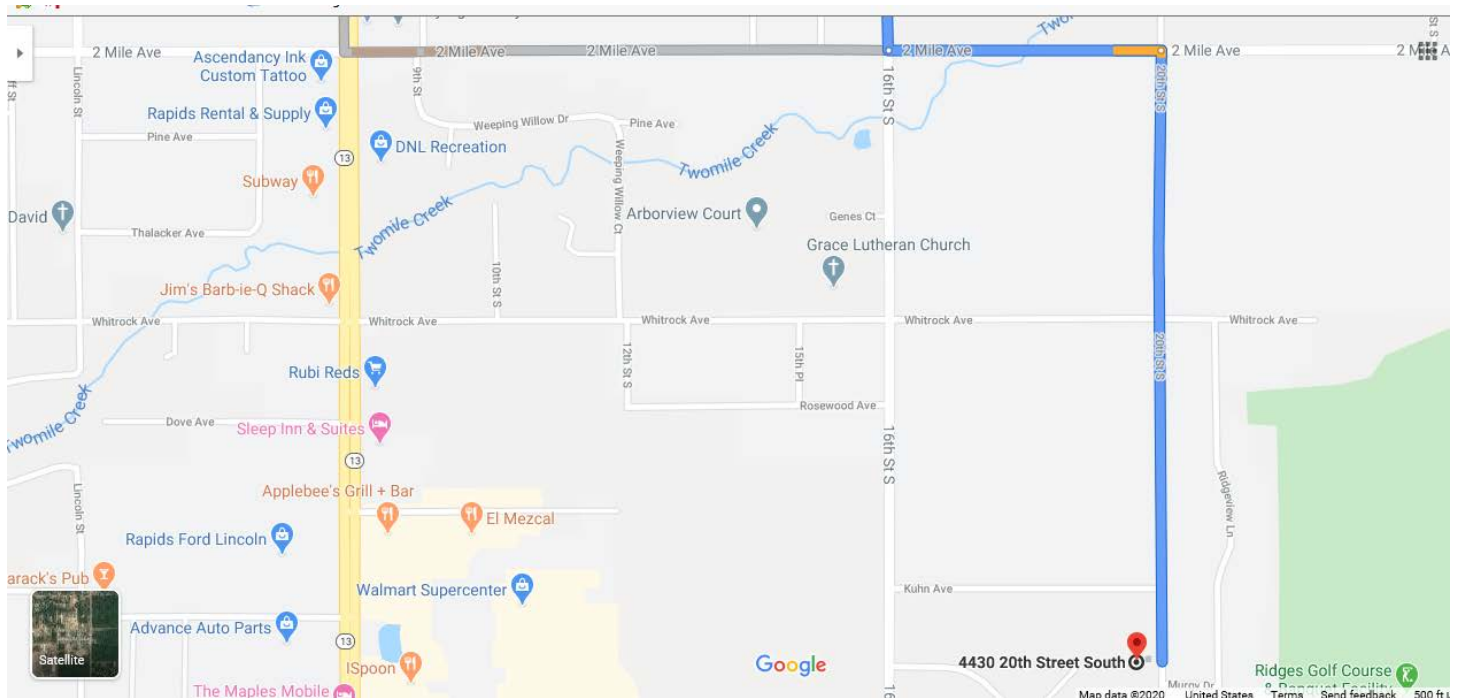

I. 2019-20 Building Trades House Project – Tour – (See map below for location)

The Lincoln High School Building Construction class invites you to tour the new home they have been working hard to build during the 2019-20 school year. The students would like to showcase the accomplishments and craftsmanship that they have invested in this house. Please join these young carpenters along with Lincoln Technology and Engineering Education Instructor, Terry Bores, at the construction site located on 4430 20th Street South.

(Take Two Mile Avenue to 20th Street South. Turn south on 20th Street South. The house is located on the west side of the road.)

Looking forward to seeing you there!
