- III. Actionable Items

A. Co-Curricular Activities Code of Conduct: 2017-18

Ronald Rasmussen, Principal of Lincoln High School, will be present to share suggested updates to the Co-Curricular Activities Code of Conduct to take effect beginning with the 2017-18 school year. Attachment A sets out the proposed changes including the four strikes procedure (p. 10) and the impact of students in grades eight and nine moving to a trimester schedule (p. 6).

The administration recommends approval of the changes to the Co-Curricular Activities Code of Conduct as set out in Attachment A for the 2017-18 school year.

B. Lincoln High School Agenda Planner Update: 2017-18

In May of 2017, the Board of Education approved revisions to the Lincoln High School (LHS) Agenda Planner for the 2017-18 school year. The LHS administration is requesting one additional change due to the increasing number of academic dishonesty incidents that have occurred in the past several weeks. The change is set out in Attachment B and would appear on page four of the agenda planner under "Academic Integrity." The change ensures that students are not only ineligible for National Honor Society if they engage in academic dishonesty, but if they are already a member of National Honor Society, they would be removed from the group. Mr. Rasmussen will be present to explain the change.

The administration recommends approval of the change to the 2017-18 Lincoln High School Agenda Planner as set out in Attachment B.

C. Carl Perkins Grant

Eric Siler, Career and Technical Education (CTE) Coordinator, will be present to update the Board on the use of Carl Perkins Funds during the 2016-17 school year, and plans for the grant for the 2017-18 school year. Highlights include expanded Apprenticeship opportunities, an opportunity for all LHS staff to tour Mid-State Technical College, and the purchase of needed equipment to provide students state of the art experiences in CTE courses.

The administration recommends approval of the Carl Perkins Grant for 2017-18 in the amount of \$47,163.

D. Fuel Education Contract Renewal

Fuel Ed is a program that offers a library of on-line courses for grades six through twelve. The program offers several options for students including credit recovery, remediation, standard middle and high school courses, AP courses, and access to an online library with several resources. Several district programs utilize Fuel Ed including the secondary virtual program, LEAP, Lincoln High School EBD, credit recovery and remediation, gifted and talented, and summer school. Attachment C sets out the proposed contract renewal for the Fuel Ed program.

The administration recommends the renewal of the Fuel Ed contract at a cost of \$21,500 to be paid for from the following budgets: Virtual School, Lincoln High School, East Junior High School, Wisconsin Rapids Area Middle School and WRPS Curriculum.

E. Academic and Career Planning (ACP)

The Wisconsin Department of Public Instruction (DPI) is requiring all public school districts in the state to provide students an Academic and Career Planning process and plan beginning with the 2017-18 school year. WRPS was selected by the DPI as a pilot district for Academic and Career Planning in 2015-16. During that year, an ACP Committee was formed. The committee spent time learning about ACP. During the 2016-17 school year the committee designed the WRPS ACP program which will be rolled out to staff and students beginning in 2017-18.

Kathi Stebbins-Hintz, Director of Curriculum and Instruction, along with members of the WRPS ACP Committee will be present to share the proposed Academic and Career Planning process for WRPS students.

The administration recommends approval of the proposed academic and career planning process for WRPS students to be implemented in 2017-18.

IV. Updates

A. Elementary Chinese Exchange

An elementary exchange program is a part of the Chinese program coming to WRPS in 2017-18. This program would involve welcoming between 14 and 28 fifth grade students from China who would spend two weeks in Wisconsin Rapids attending one of our elementary schools, touring local sites, and learning about the two cultures. Students would stay in a hotel for the majority of the trip, but would spend one weekend with a host family. Offering the exchange would provide WRPS students the opportunity to learn about another culture, encourage Chinese students to participate in the high school program, as well as provide revenue for the high school program. Attachment D sets out the itinerary for the elementary students.

Ronald Rasmussen and Kelly Schaeffer, Principal of Washington Elementary School, will be present to explain the exchange.

B. Student Out of State Travel Update

Approximately 85 LHS band, choir, and orchestra students have the option to attend a field trip to the Cadillac Palace Theatre in Chicago on June 14, 2017 to see Aladdin. A combination of 10 to 15 parents and music teachers will chaperone the trip.

V. Consent Agenda Items

Committee members will be asked to decide which items should be placed on the consent agenda for the regular Board of Education meeting.

VI. Future Agenda Items/Information Requests

Agenda items are determined by the Committee Chair after consultation with appropriate administration depending upon other agenda items, presentation information, and agenda availability.

Future agenda items/information requests include, but are not limited to:

- Science Updates: Woodlot Project and City Pond Partnership (July)
- Achievement Gap Reduction (July)
- Homeless Education Services (July)

NOTICE: STUDENT NON-DISCRIMINATION & ANTI HARASSMENT

The School District of Wisconsin Rapids is committed to equal educational opportunity for all District students. The District will not deny any person admission to, participation in, or the benefits of any curricular, extracurricular, pupil services, recreational or other program or activity because of a person's gender, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, transgender status, gender identity, or physical, mental, emotional or learning disability, or any other characteristic protected under State or Federal civil rights laws.

The District strives to provide a safe, secure and respectful learning environment for all students in school buildings, on school grounds, and school buses and at school-sponsored activities. The District prohibits all forms of discrimination and harassment.

The District encourages all students, as well as third parties, to promptly report incidents of discrimination or harassment to a teacher, administrator, supervisor, or other District employee or official so that the District may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall forward the complaint to the District's designated Compliance Officer without undue delay, but not later than two (2) business days. The District's designated Compliance Officer is the Director of Human Resources. Complaints should be submitted to:

Ryan Christianson, WRPS Director of Human Resources
510 Peach Street
Wisconsin Rapids, WI 54494

I. Goals of Co-Curricular Activity Participation

The following informational sections contain the minimum requirements for every 6-12 WRPS student to be eligible for participation in district-sponsored, co-curricular activities. In order to participate in any co-curricular activity, a signed Code of Conduct form must be on file in the athletic office/school office and entered on a student's electronic school record. The Co-Curricular Code of Conduct will be signed by students and parents before participation in a student's initial co-curricular activity for grades 6-8 and then for grades 9-12. The Co-Curricular Code is in effect throughout a student's grades 6-12 career.

The co-curricular activity program is an important part of the educational experience, but participation is a privilege, not a right. It provides opportunities for learning experiences difficult to duplicate in traditional school activities. Co-curricular participation has the following major objectives:

1. To teach attitudes of responsibility and cooperation and to help students realize that participation in co-curricular activities is a privilege with accompanying responsibilities;
2. To help students learn good habits of health, hygiene, and safety;
3. To provide activities that help promote school unity;
4. To provide activities for learning self-discipline, loyalty, team play, personal pride, pride in the organization, respect for the rights of others, and the will to be successful;
5. To provide students with opportunities for competition;
6. To provide students with opportunities to place the unit, team squad, class and school above personal desires.

II. Definition of Co-Curricular Activities

Co-Curricular activities include any school related activity that is offered outside of academic class requirements. Co-Curricular activities are divided into five distinct categories. School district policies and school rules govern all student activities. In addition, each category has unique rules and expectations which regulate participation.

Category 1 – Athletics

All interscholastic athletics are governed by the Wisconsin Rapids Public Schools' co-curricular code and the Wisconsin Interscholastic Athletic Association (WIAA). The WIAA is a voluntary, incorporated and non-profit organization located in Stevens Point, Wisconsin. Most private and public high schools in the State of Wisconsin offering interscholastic athletic programs are members. All WIAA and other pertinent conference, national and state governing regulations as published will apply and are available upon request.

There generally will be an application or nomination process established by the building administration for these activities. Students in this category are expected to be representative of the values, expectations and ideas espoused by the school and school district.

Students participating in any Category 3 activities will be expected to comply with the academic rules, attendance rules, and social behavior and conduct rules listed as part of the Co-Curricular Code. In order to be eligible to participate, students must be in good standing, exhibit proper school behavior, and have no school violations. Students who violate stated rules are subject to removal from the activity as deemed appropriate by the activity advisor and/or the building administration. All eligibility determinations will be made by the advisor in consultation with the building administration.

Category 4 – Music/Class Related Activities

This activity area is governed by the relationship between classroom enrollment and the requirements for performance as an aspect of grading by the instructor. Behaviors under this category remain under the direction of the building principal and the supervision of the individual classroom instructor. All students participating in the respective activities will adhere to school board policies, school rules, and classroom rules. All eligibility determinations will be made by the advisor with the building administration.

The Co-Curricular Code does not affect student participation in intramurals or interest clubs. Intramurals and interest clubs will be governed by School Board policies, school rules and regulations, and the written intramural or interest club rules. In cases where disciplinary situations may arise, the advisor will confer with the building administrator to determine appropriate actions.

Coach/Advisor Rules & the Co-Curricular Code of Conduct

Parent(s)/guardian(s) and participants in co-curricular programs should note that the coach, advisor, teacher, etc. may establish policies germane to his/her respective program. This may include more stringent rules and resulting penalties assessed in addition to Co-Curricular Code provisions. Furthermore, after consult and review with school administration, it shall be the coach's/advisor's prerogative to suspend any participant from an activity or program if they consider the student to be a demoralizing influence or a detriment to that program and its participants.

 - d. If a student falsifies a recorded grade and/or the signature of a teacher on a Student Progress Report Form, he/she will be subject to a Code of Conduct violation for "conduct unbecoming an athlete."
- J. Attendance Rules
- a. All student participants in co-curricular programs must be in school ALL DAY in order to participate in a contest/event. Prior arrangements and/or approval must be made through the building administrator and/or athletic director's office for special circumstances.
 - b. Failure to be in attendance as stated will result in non-participation in all co-curricular events that day.
 - c. Exceptions to this attendance rule will include the following
 - i. Absences which have been excused for a funeral, court appearance, school approved trips, documented medical appointments, exercising of voting rights, or for other unusual or extenuating circumstances/family emergencies as cleared with the principal and/or athletic director in advance. - a. A student who is dropped from one activity for disciplinary reasons shall be ineligible to participate in another activity during that same season.
 - b. A student who quits a seasonal co-curricular activity shall be ineligible to participate in another activity during that season unless he/she receives consent from the coaches or advisors involved. (This does not apply if the activity meets all year or if a student is cut from a team.)

IV. Social Behavior and Conduct Rules

- A. A student is covered by the Code of Conduct from the time he/she begins his/her involvement with the co-curricular program until the conclusion of his/her co-curricular activity career. (Grades 6-8 career and Grades 9-12 career)
- B. Students are expected to follow all school rules and to display high standards of behavior, including good sportsmanship, respect for others, and use of appropriate language and dress at all times. Students are expected to follow the curfews established by the coach/advisor of each activity.
- C. Eligibility may be regulated by school wide discipline structures. A teacher may refer a participant to the appropriate coach/advisor when the teacher believes that the participant's school conduct is disruptive or undesirable (gross insubordination, endangerment of health and safety, etc.)
- D. The coach/advisor shall define the consequences for inappropriate student conduct in writing prior to the start of the season. Consequences may include suspension from participation. These consequences must be approved by the building administration and kept on file with the Athletic Director. Consequences established by a coach/advisor cannot supersede the provisions of the WRPS co-curricular code.
- E. Application of the WRPS Co-Curricular Code
 - a. Duration of Code Violations: Violations of the Co-Curricular Code will be cumulative during a Grades 6-8 career and a Grades 9-12 career. Penalties from 8th grade that have not been served will be transferred to 9th grade.

Honesty Clause: Any student who voluntarily turns himself/herself in for a first violation of the Code shall have the penalty reduced by ½ the original penalty contests of the penalty specified in the Code. (This only applies if an individual was not already identified, ticketed, etc. by any authorities.)
 - c. Examples of Prohibited Conduct: Rules are established for the best interests of the participants and the school. The participant who complies with those rules demonstrates a desire to dedicate him or herself to self-improvement as well as to enhance the best interests of fellow teammates, coach/advisor and school. Rules must be observed by all participants throughout the year including when the particular activity is not in season. A participant must refrain from any conduct at any time that would reflect unfavorably on him or herself or the school.
 - d. In each situation, WRPS reserves the right to consider the totality of the circumstances and render a judgment regarding (1) whether a particular action/inaction is an infraction under the Code; (2) the degree (major/minor) of the violation; and (3) an appropriate penalty.
- F. Major Rule/Conduct Infractions
 - a. The following is a list of representative major infractions but is not a comprehensive list of all possible offenses. V. Guidelines for Minimum Penalties (Categories 1 & 2)

Failure to abide by established rules may result in withdrawal of the privilege to participate. The percentage of suspension from an activity will be based upon each school's total regular season scheduled events for each specific activity. The activities that allow for multiple-school meets at the high school level (soccer, tennis, volleyball and wrestling) are regarded as single event dates. Scrimmages will not count as part of a suspension.

WRPS expressly reserves the right to impose a penalty it deems appropriate for each individual situation and case. Code violations are cumulative throughout a student career (grades 6-8 career and then grades 9-12 career). NOTES: 1.) A student has *4 strikes* and out at their grades 6-8 career and then again at their grades 9-12 career. 2.) There is no statute of limitations on reporting Co-Curricular Code violations. However, it will be at the discretion of the administration on whether to take action on reports that are not made in a timely manner.

A. Consequences for Major Rule Code Violations:

- a. First Major Violation: (In grades 6-8 and/or 9-12 careers)
 - i. A first major violation of the Code will result in a suspension from competition for a period of 20% of the contests ...based upon each school's total regular season scheduled events for each specific activity. (See Appendix A)
 1. Any remaining percentage of that suspension not served shall be recalculated and applied toward the next activity in which a student participates in and completes. Any fraction of a competition will be rounded upward. (See Appendix A)
 2. If a suspension carries over into the WIAA tournament series, the athlete will miss the entire tournament series. This clause pertains to team tournaments as well as the individual tournament series. (A WIAA tournament event series missed will count as ONE event toward the penalty to be served.)

 - a. Coaches, advisors, teachers and/or administrators must report violations of the Code of Conduct at any time they become aware of the violation. Law enforcement agencies may report alleged violations of the Code of Conduct at any time they become aware of the violation. The report of the incident may be written or verbal. In this case, investigation of the event must be immediate with no statute of limitations.

 - i. All violations will be documented in the student's file. The number of violations

- automatically corresponds to the penalty level in all activities.
- ii. Any student serving a penalty during a sport or activity must remain active and finish in good standing in the sport or activity in order for the penalty to be successfully served.
- d. During a student's first offense suspension, the advisor/coach of an activity may:

 - i. The role of the committee is restricted to reviewing the facts of the alleged violation of the Code and determining whether or not a violation occurred.
 - ii. The Appeal Committee for each case will be selected by the Athletic Director and a building administrator. The Appeal Committee will meet to hear the appeal within five (5) school days of receipt of the request. The Appeal Committee will be made up of the following individuals:

his/her parents in writing.

E. Further Appeal

- a. If further appeal is requested based on the findings and decision of the Appeals Committee, the suspension may be appealed directly to the Personnel Committee of the Board of Education by filing a written request to the Superintendent of Schools within five (5) school days after receiving the Appeal Committee's decision.

VII. Miscellaneous

A. Equipment/Supplies

- a. All students will be furnished equipment/supplies as applicable at the start of sports seasons. It is the responsibility of each student to make sure that uniforms are maintained in a state of proper cleanliness and repair. If, during the season, a student should lose any equipment/supplies, or ruin equipment/supplies by misuse, the student will pay for lost or ruined equipment/supplies before being issued any new items. At the end of an activity the student will turn in all gear that was issued. Anything not turned in must be paid for. Parents will be notified of the debt.

B. Travel

- c. A student who has served a suspension during the season of the original violation is ineligible to receive any conference awards for that season.
- d. A student may not be awarded a letter if they do not finish the season in good standing. The season is completed at the conclusion of the awards banquet.
 - i. Coaches/Advisors are to submit a list of letter-winners and their fulfilled letter qualifications to the Athletic Director or administration for confirmation before any awards are announced. Any student whose suspension is initiated in an ongoing season will not be eligible to receive the designation of either Captain or Most Valuable Player for that season.
 - ii. Letter criteria for each activity will be handed out to the student and parent by the head coach/advisor prior to the season.
