

Athletic Required Forms Online Forms - Skyward Family Access

*****Completing these steps covers the paperwork necessary for your child to participate in athletics at their school but DOES NOT register them for the specific sport they are interested in. Listen to your school's announcements for information on specific sport sign up.**

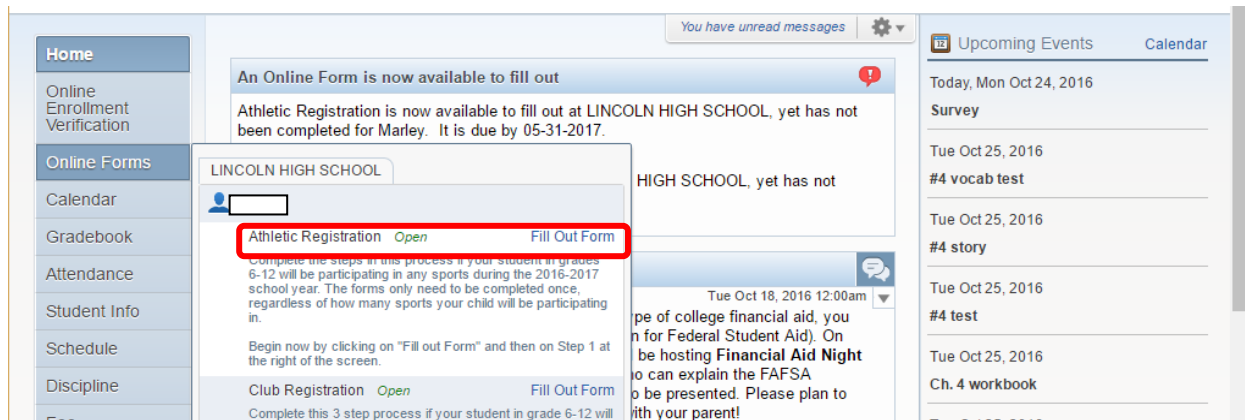

If your child will be participating in **any sport** this school year, you will need to complete the Athletic Registration process. The required forms only need to be completed **one time per school year** regardless of how many sports your child will be participating in.

To complete the necessary sport forms, select Online Forms from the left sidebar menu in Family Access.

The 2023-24 Co-Curricular Code of Conduct agreement will be completed in Online Enrollment Verification by all 6 – 12 grade students and will apply to the student once they have been registered in a sport.

You will need to complete either step 8 or 9 depending on when your child had their last sports physical. Your student athlete is required to have a *Sports Physical every other year*.

Step 8: If this is the year your athlete is required to have a physical, click on the Physical Card link in Step 8. Print out the form and take it to your athlete’s physical appointment. Once the form is complete, take it to the Athletic Director at your school. If this is not the year your athlete needs a physical, skip Step 8 and proceed to Step 9 at the right side of the screen to print out the Alternate Year Card. These forms are also available in your school office.

Step 9: If this is the year that your athlete does not need a physical, click on the link to print out the Alternate Year Card in Step 9. Fill out one alternate year card (the linked page contains 3) and return it to your school office. Proceed to Step 10 on the right side of the screen.

Step 10 will list all the steps with their completion status. If all steps are complete (8 or 9 may be skipped), click on **Submit Athletic Information/Forms**. All steps are required except for 8 and 9. You will not be able to Submit until all required steps are complete.

This completes your Athletic Forms requirement for the 2023-24 school year regardless of how many sports your athlete will be participating in. If we have your current email address on file, you will receive a confirmation email that you have completed the process.
