#RAPIDSPRIDE

High quality programming has been maintained for WRPS students through careful planning and sound fiscal management. The District managed to invest \$8.4 million in 2018 to replace the leaky, inefficient pool at the high school, provide for a 6th grade addition at the middle school, perform district-wide energy efficiency upgrades, and secure a \$571,000 safety and security grant award to begin making enhancements to building security.

The surrounding community has a long history of supporting WRPS schools, and continued that strong support in April, 2021 by passing two referendum questions. The first question allows WRPS to exceed the revenue limit by \$2 million per year for five years beginning with the 2021-22 school year and ending with the 2025-26 school year to invest in curriculum and technology updates. The second question allowed WRPS to borrow \$34 million for District-wide school building and facility improvement projects to include the construction of secure entrances at all schools; Lincoln High School science lab renovations and the addition of a new library/student resource center, construction of a gymnasium at THINK Academy in Rudolph, and numerous capital maintenance and building infrastructure improvements.

Another exciting, collaborative project that occurred in the District in 2021 which largely came about as a result of community conversations and private donations is the construction of a brand new baseball/softball sports complex on the Lincoln High School campus, and significant renovations/upgrades to the South Wood County football track and field. These upgrades are drawing events to our community which helps boost the local economy. Investments in elementary and middle school playground upgrades are on the docket for completion by 2024, with the first project \$1.5 million project to develop an Outdoor Play, Learning, Activity Center at Woodside Elementary slated to be ready by the beginning of the 2023-24 school year. All of these initiatives help contribute toward student opportunity and success!
