It was great to see everyone back in the building after Winter Break. Just a reminder that when visiting LHS you **MUST** bring your driver's license to the main office to enter the building.

Two years ago we allowed students to wear hoodies, hats, caps, etc in common spaces. When we moved to this policy, it was stated that this would/could be modified if we were unable to identify students in these spaces. We would like to clarify that ski masks do NOT count as hats/caps/hoodies as, when worn as intended, we are unable to identify students.

Unlike last year, we have not yet used our 3 built-in inclement weather days. If we happen to reach 3 inclement weather days this winter, we will move to "E-Learning." The expectations for E-Learning were in our [January newsletter](#).

Teachers have a professional development day on Monday, January 15th. This is also Martin Luther King Jr. Day. We have an early release on Wednesday, January 17th.
