As we returned from winter break, we are grateful to everyone for helping to restore a routine for showing up to school while supporting students and families. We appreciate everyone's efforts to avoid taking extra time off during the winter break. As long as your child is healthy, please encourage showing up to class when school is in session. Every day of school is an important opportunity for students to learn as well as to connect to their peers and teachers. A reminder that per state law, students are not allowed to miss more than 10 school days per school year without professional/medical documentation. As a reminder, our absence information is [here](#).
