Our literary magazine, **Bloodstone**, has been selected to receive the rank of Superior in the 2023 NCTE Recognizing Excellence in Art and Literary Magazines (REALM) program.

The mission of NCTE's REALM program is to publicly recognize excellent literary magazines produced by students with the support of their teachers. REALM is designed to encourage all schools to develop literary magazines that celebrate the art and craft of writing. *Bloodstone* is a fine example of this mission in action!

We continue to plan for our **Fire on Ice 2024** Spirit Week (February 5 - 10). Student Council is planning dress-up days, spirit competitions, and the Sophomore Ice Prince and Princess crowning during spirit week. If an LHS student plans on bringing a guest to the dance, the guest permission form must be completed by **today**. Posters and information for Fire on Ice 2024 are below.

It's National Thank You Month! Thank You Month is an opportunity to spread kindness by thanking all the people who've helped us along the way. Every day, you encourage your student to learn and grow. You are a major reason for the success of our students, and it's an honor to serve your family.

We encourage you to spend some time this January thinking about what you're thankful for and express gratitude for those who have helped you. Help from others is so appreciated and, at times, needed. If you or a family member needs extra support, Wisconsin Rapids Public Schools partnered with Care Solace to support the well-being of students and their family members. If you or a family member are looking for help with mental health or substance use treatment and would like to use Care Solace to help you find a provider:

- Call 888-515-0595. Multilingual support is available 24/7/365.
- Visit <https://caresolace.com/site/wrps> and either search on your own OR click "Book Appointment" for assistance by video chat, email, or phone.

Thank you again for your dedication to your students and this community.
