Thank you to those who attended PTV and the Program Showcase this past Wednesday. We are excited to see this night continue to grow and provide great insight for families on course selections for the next school year. If your child was absent from registration input on Thursday, please have the registration sheet turned in to Student Services by Monday.

This upcoming Wednesday, January 31st, is an early dismissal at 2:20 p.m.

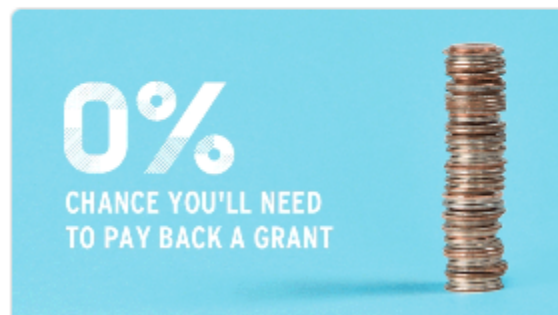

We have now used two of our inclement weather days. We have one more built-in snow day on our calendar. If we reach a 4th day, we will move to our E-Learning Schedule. More information on our E-Learning Schedule is in our [January newsletter](#).

We have a higher-than-normal percentage of students who received D's or F's at progress report time. There is often a direct correlation between attending school and grades earned in classes. If your student is struggling in a class, please contact the teacher for assistance and/or please use the Success Center for possible tutoring services.

We are beginning the state-required testing season. A letter was sent this week for our Juniors regarding the mandatory ACT exam to be given on Tuesday, March 12th. Juniors will have a class meeting about the ACT during RPT on February 19th and will conduct the ACT Pre-Fill on February 22nd.
