October 9, 2020 Update

We have reached the halfway of Term 1! Parent-Teacher Conferences are on Monday from 4:00 p.m. to 6:30 p.m. If you still need to book an appointment, view our October newsletter with directions on the last two pages [here](#). Our teaching staff will call parents on the primary phone number listed in Skyward for the appointment.

This upcoming week is a full five day “normal week.”. Cohort “A” will attend Lincoln on Monday, October 12th, and Tuesday, October 13th. Cohort “B” will attend LHS on Thursday, October 15th and Friday, October 16th. If your child needs extra assistance, please contact their teacher(s) to schedule an appointment on Wednesday. This past Wednesday we had over 100 students get individual assistance from their teachers.

You have likely heard recent information from the County and our local medical providers regarding the fact that COVID-19 cases continue to rise here in Wood County. There are concerns that hospitals in the area (central Wisconsin) are seeing an increased need for medical care in many COVID patients. That said, it is worth noting that while we have had cases in WRPS and LHS, they have been sporadic and relatively isolated, not producing significantly increased cases related to other students and staff. This is no doubt due to the safety and precautionary measures we have in place in our district.

Despite all of our safety and precautionary measures, parents and children may be diagnosed with COVID-19. Due to our health systems being overloaded, we have added a document for parents of frequently asked questions and procedures on our website if your child is a close contact or quarantined. It is linked [here](#).

Juniors will take the PreACT on Wednesday, October 21st. This is an off-campus learning day for Freshmen, Sophomores, and Seniors. The parent letter explaining the PreACT information and process is [here](#).

If we go 100% off-campus/virtual learning, it will be different from this past Spring. Students will have required attendance for their classes each morning. In addition, teachers may require attendance for further instruction/assessment each afternoon. All classes will follow our traditional grading scale. To view the daily off-campus/virtual learning schedule that we would use [click here](#).

If you are interested in our Lincoln Virtual School, applications for Term 2 are due by November 13th. Navigate to our LHS website and click “Virtual Program” for more information.

WRPS Food Services Department will now be offering another option for free breakfast and lunch meals to be picked up for A/B Cohort students at WRAMS and LHS for the days that they are learning from home. Please see the information below for the options: Students can pick up meals at the end of second school day in the building OR Parents/Guardians/Students can pick up at WRAMS or LHS on Wednesdays from 3:30 p.m. - 4:30 p.m., regardless of which cohort they are in. For more information on how to sign up for either of these options, please visit the [WRPS Food Services website](http://www.wrps.net/schoolnutrition). If you have any questions about the meal pick-up options, please email schoolnutrition@wrps.net.

We want to continue in-building instruction. With the significant increase in cases in Wood County this week (37 alone yesterday), please assist us in limiting social gatherings, washing hands, maintaining 6 feet of physical distancing, and wear a face-covering when outside your home.

Enjoy a weekend of beautiful weather!

Proud To Be The Red & White of Rapids,

Mr. Ronald Rasmussen
Principal

Schedule For October

If in Hybrid, This is the Term 1 November Schedule

OCTOBER 2020					NOVEMBER 2020
