October 16, 2020 Update

Thank you to those of you who "attended" Parent-Teacher Conferences this past Monday. If you have questions about your child's progress, please email the teacher with your concern and a phone number so the teacher can answer your questions.

This upcoming week is a full five day "normal week.". Cohort "A" will attend Lincoln on Monday, October 19th, and Tuesday, October 20th. Cohort "B" will attend LHS on Thursday, October 22nd and Friday, October 23rd. If your child needs extra assistance, please contact their teacher(s) to schedule an appointment for Wednesday afternoon. This past Wednesday we had over 200 students get individual assistance from their teachers. Please note that the week of October 26th that the "B" Cohort students will attend in-building instruction Wednesday and Thursday.

We now have only 11 in-building days for the remainder of Term 1. We will continue the Hybrid/Cohort Schedule for the remainder of Term 1 (schedule below). Please remember that this approach is entirely due to keeping "close contacts" as low as possible; the fewer people in quarantine, the greater our ability to continue to provide at least some form of in-person instruction. Shortly we will be sharing the Hybrid/Cohort schedule for Term 2 if we remain in this educational environment past Thanksgiving.

Earlier this week Central Office shared information with you that we have developed a "COVID-19 Dashboard" to provide parents and community members a better understanding of the "current state of affairs" regarding active and cumulative cases of COVID-19 in our schools. This dashboard will be kept as up to date as possible until the pandemic is over. Parents can access the dashboard directly by clicking [here](#) or by visiting our website (wrps.org) and clicking on the "COVID-19 Dashboard" link in the top left corner under "Quick Links". We will do our best to ensure that the dashboard is updated regularly; however, please be aware that updates will not occur instantaneously. Numbers of "active" cases change frequently as we are made aware of new positive cases, and older cases become inactive.

In addition, Central Office also shared that through a partnership with Wood County Public Health, the Wisconsin Department of Health Services, and the Marshfield Clinic Health System, that the District will be able to offer limited COVID-19 tests for students. **Please note: students will NOT be tested without first receiving consent from a parent or guardian.** The test kits we will be receiving are a fairly simple "nasal swab," and we will begin this on Monday at LHS.

A reminder that this is the week for Juniors to take the PreACT on Wednesday. The room schedule was shared with students in an email from our Testing/Tutoring Center today. This is an off-campus learning day for Freshmen, Sophomores, and Seniors. The parent letter explaining the PreACT information and process is [here](#).

We continue to have a good Fall athletic season. We fully anticipate a Winter athletic season with some scheduling modifications. This past week the WIAA released sports specific guidelines which you can read [here](#). There will be further updates to this as we work with our partner schools in the Wisconsin Valley Conference. The athletic department will update athletes and coaches as this work progresses.

A reminder that if you are interested in our Lincoln Virtual School, applications for Term 2 are due by November 13th. Navigate to our LHS website and click "Virtual Program" for more information

WRPS Food Services Department will now be offering another option for free breakfast and lunch meals to be picked up for A/B Cohort students at WRAMS and LHS for the days that they are learning from home. Please see the information below for the options: Students can pick up meals at the end of the second school day in the building OR Parents/Guardians/Students can pick up at WRAMS or LHS on Wednesdays from 3:30 p.m. - 4:30 p.m., regardless of which cohort they are in. For more information on how to sign up for either of these options, please visit the [WRPS Food Services website](#). If you have any questions about the meal pick-up options, please email schoolnutrition@wrps.net.

Thank you in advance for staying home when sick, maintaining physical distancing, wearing a face covering, and washing/ sanitizing hands frequently.

Stay warm this weekend!

Proud To Be The Red & White of Rapids,

Mr. Ronald Rasmussen
Principal

Term 1 Hybrid Schedule

OCTOBER 2020					NOVEMBER 2020
