We are now 10 school days from Winter Break. RPT is mandatory on Monday and Tuesday next week. The last early release before winter break is on December 20th.

This week we kicked off our **Community Candles fundraiser**. It runs through December 11th. This is the 20th year of the annual program that raises funds to provide a holiday gift for LHS students whose families face financial hardship. All proceeds serve LHS students. Our goal is to raise \$2500.00!! Please help us reach our goal. To donate online, please go to [https://www.classmunity.com/wrpswi/view-fundraiser.php?fundraiser\\_id=2307&fbclid=IwAR0QZ07ImT4mcOO\\_Lqo6g-H2lOme2wKtTMsdeBeAfDbbD192QPvKDRDwfAYM](https://www.classmunity.com/wrpswi/view-fundraiser.php?fundraiser_id=2307&fbclid=IwAR0QZ07ImT4mcOO_Lqo6g-H2lOme2wKtTMsdeBeAfDbbD192QPvKDRDwfAYM)

Juniors may request to take the ACT online by filling out the form given to them during RPT by Friday, December 15th.

**Holiday Health Resource Fair in Wisconsin Rapids**

Wisconsin Rapids, WI – The Wood County Health Department (WCHD) in partnership with the HMong & Hispanic Communications Network Project (H2N) is hosting a *Holiday Health Resource Fair* on **Friday, December 15<sup>th</sup> from 3pm until 7pm** at Mid-State Technical College's gymnasium located at 500 32<sup>nd</sup> St N in Wisconsin Rapids.

This FREE event is open to the public and all are encouraged to come. The following will be provided free of charge:

- Food and drinks (including a hot chocolate bar)
- Photos with Santa Claus
- Local health resource information
- COVID-19 and flu shots (if eligible; while supplies last)
- Blood pressure checks
- Diabetes screenings
- Kids' activities and more!

"We want residents to be aware of free and low-cost local health resources and community serving organizations near South Wood County," said Audrey Day, a Wood County Health Department Community Health Worker in a statement. "We want to bring people together this holiday season and help them have access to important health information."

The WCHD and H2N, in collaboration with other organizations, plan to share information regarding local free or low-cost resources. To ensure everyone can access health information and resources, there will be HMong and Hispanic Community Health Workers (CHWs) available who can help translate and interpret.

CHWs are public health workers who help those within minority and underserved communities. They share similarities with the community they serve, such as speaking the same language or sharing similar life experiences. They are a trusted information source for people who are unsure of medical and social support services. They help people access these services by making sure they are delivered in a way that is culturally appropriate.

CHWs help improve access to healthcare services, build stronger connections between the community and healthcare providers, and improve community health overall. Some services offered by CHWs are:

- Interpretation and translation services
- Advocacy for underserved individuals or communities
- Culturally appropriate health education, outreach, and available resources
- Connecting communities to health care and social services

Credible • Collaborative • Ethical • Accountable

Attend the fair to learn more and join the fun! Parking for this event is free at Mid-State Technical College in Wisconsin Rapids. The gymnasium is located in the southeast lot. Follow the signage from the main entrance.

The WCHD and H2N would like to thank Mid-State Technical College, El Mezcal, Polito's Pizza, Tong's Asian Market, Starbucks, WIRI 105.5 FM, and La Taqueria for their generous donations and assistance. They would also like to thank Hometown Pharmacy for their support in making this event possible.

For any questions about this event, please contact Audrey Day with the Wood County Health Department at 715-295-4244.
