

Hi, THINK Academy Families!

It is time to show your spirit, even while we are learning at a distance! During the week of April 20-24, we will have a daily theme. You can do as many or as few days as you prefer. If you choose to participate, we would *love* to see what you're doing! We would **REALLY** love to see photos of your whole family getting in on the fun. Please send photos of your whole family participating in the activity to your teacher(s). She will choose a few of them to be shared on our THINK Academy Facebook page.
