News from the Nurse

Welcome back to school!

....a few things to know....

!! Medications at school !!

Students requiring administration of prescription medication at school must have a **PHYSICIAN/ DENTIST ORDERS FOR ADMINISTERING PRESCRIPTION MEDICATION IN SCHOOL** form on file in the nurse's office. This form and additional health forms (seizure, migraine, food allergies, bee allergies) may be found on the WRPS Webpage, under the "FAMILIES" option, and "HEALTH INFORMATION." Prescription medications need to be brought in before the first day of school to ensure everything is in order. Any medication identified as a controlled substance, such as medication for the treatment of ADD/ADHD, anxiety, or pain, must be delivered to the school office by a parent, guardian, or other responsible adult. These medications must be in a pharmacy-labeled container, placed in a sealed envelope, labeled with your child's name, and if in pill form, the number of pills sent.

Medications classified as non-controlled substances, such as antibiotics, eye drops, EpiPens, and inhalers for the treatment of asthma, may be sent to school with a student, although we prefer to have them before the first day of school. These medications must be in a pharmacy-labeled container, placed in a sealed envelope, labeled with your child's name, and if in pill form, the number of pills sent.

Elementary and middle school students may not self-administer medications; this includes those purchased over-the-counter. All medications brought to school must be given to the nurse/office staff in the original labeled bottle.

High school students may carry their over-the-counter medications (Tylenol, ibuprofen, etc), but **MUST** be in the original container. They may also carry their inhalers or EpiPens with a doctor's order indicating self-carry is allowed.

School stock medications (Tylenol, ibuprofen, cough drops) are limited at each school building. We encourage parents to supply their own if their child will require frequent use of them.

If your student has a known food/bee allergy or a history of seizures or migraines, please fill out the health forms that can be found on the WRPS webpage under "the "FAMILIES" section, and "HEALTH INFORMATION" Return all necessary forms to the nurse before the first day of school so our staff can adequately treat your child as needed.

Bridging Brighter Smiles Reminder.....(Lincoln High School & River Cities only) RECEIVE DENTAL CARE RIGHT AT SCHOOL! Bridging Brighter Smiles will be providing dental services at Lincoln High School/River Cities High School during the school day. You can sign up now, turn in the enrollment form to the main office, or enroll online at enrollment.bbsmiles.org. Questions? Call 262-896-9891.

****ALL health information/policies/forms are on the WRPS website, under FAMILIES, and HEALTH INFORMATION.**

!! Vaccinations !!

Students preparing to start school or those going into 6th grade will need to be up to date on their immunizations (see list below). **Instead of waiting until your child's yearly wellness check, you can schedule a "nurse only" visit for needed vaccinations.** Children who do not have the required vaccines or waiver on file will be excluded from school after 2 legal notices have been sent.

Parents may contact Wood County Public Health for more information on their Immunization Clinic at 715-421-8911 to see if their child is eligible. See brochure for more information. [English & Spanish Brochure](#)

If your child should not receive immunizations for any reason, please fill out the waiver found at the bottom of the record form signed by a parent or guardian, and return it to the school nurse.

The updated student immunization record form/waiver is available here: [Student Immunization Record](#). You can also find this form on our WRPS website, under "FAMILIES", and "HEALTH INFORMATION," in the "IMMUNIZATIONS" link.

****PARENTS:** If your child has a known severe allergic reaction to certain foods or bee-sting, and will require the use of an EpiPen or Benadryl, you must fill out the allergy questionnaire and provide a doctor's order as needed for EpiPens. If your child has a seizure disorder that will require a rescue medication or emergency services, please fill out the seizure disorder questionnaire, and provide a doctor's order for any medications. Please return all forms to the school nurse before the first day of school, so the nurse and school staff have everything they need to care for your child while at school.

We look forward to a wonderful year!

Please don't hesitate to reach out to the school nurse for any questions or concerns.
