

WOLF PACK PRIDE NEWS

WASHINGTON ELEMENTARY

August-September 2025

Welcome Back! It is always a pleasure to welcome back our Washington families. A new year brings lots of new information. Please be sure to review our new look newsletter and reach out with any questions for concerns you may have. The best way to communicate with staff is through Parent Square. We highly encourage families to download the app and stay connected for all the latest updates.

If there are a family 1 and family 2 listed in Skyward Qmlativ our policy states that family 1 will be contacted unless a family requests that both family 1 and family 2 are contacted at all times. Although we encourage families to communicate with each other to ensure the best possible outcomes for their child(ren), we understand that sometimes both families do need to be contacted. Please contact the office with this request.

Download the ParentSquare app today!

Stay involved with your student's learning and activities at school. From anywhere.

SCHOOL SAFETY

Each year we practice various safety drills to ensure we are prepared to act if and when the need arises. This letter provides detailed information on the topic. Friday, September 5th will be our Washington Safety day. We will be practicing being leaders of the pack by reviewing behavior expectations and practicing our safety drills.

PTAC UPDATES

Shout out to our volunteers for welcoming families and supporting our Dilly Bars to celebrate the new school year. Our first meeting will be September 11th from 4:00-5:00 in our cafeteria. We hope to see you there!

RESPECTFUL, RESPONSIBLE AND SAFE

At Washington our Wolf Pack strives to be leaders of the pack. That means we are always working to be Respectful, Responsible, Safe. We practice what this looks like in all school locations and encourage families to do the same at home. We know students are capable of great things when expectations are held to a high standard. We appreciate your support!

One topic that is often a hot topic is bullying. There are many misconceptions on the use of the work Bully. We ask that you review the definitions under our school policy that will help guide out conversation with students and families this school year. [WRPS Universal Understandings](#)

**WISCONSIN RAPIDS
AREA MIDDLE SCHOOL**

This fall, a special group of 7th and 8th graders at Wisconsin Rapids Area Middle School (WRAMS) is preparing to welcome the newest members of our school community—our 6th graders! These students are part of WEB (Where Everybody Belongs), a leadership program that helps create a positive transition for students moving from elementary school to middle school.

WEB Leaders have been training to support incoming 6th graders on their first days, lead activities that build connections, and serve as positive role models throughout the school year. Their goal is to make every 6th grader feel included, supported, and ready to succeed at WRAMS.

We are excited for our new 6th graders to meet their WEB Leaders and begin building relationships that will help them feel at home in middle school!
