Happy CTE Month. It's week 3 of CTE Month, and by now, you should hopefully know what CTE stands for. Ready for another acronym? CTSO. CTSO stands for Career and Technical Student Organization. These organizations allow students to further develop their concepts and technical skills through various activities and competitions. These organizations allow students to travel around the country and meet and network with students worldwide during competitions. CTSOs at LHS include FFA for Agriculture, SkillsUSA for TechEd, HOSA for Health Occupations, FCCLA for Family and Consumer Sciences, and DECA for Marketing and Business. Talk to one of your CTE teachers to learn more about joining and participating in one of these CTSOs.

Thank you to everyone who wore orange today in support of building awareness around teen dating violence prevention. If you are wearing **orange** today (we're talking *obvious orange*, not an orange-dot-on-the-bottom-of-your-shoe orange), stop by the Interact/Cool 2 Be Kind table at lunch to get a FREE ticket for a chance to win a fleece tie blanket. Didn't have orange or just plain forgot? You can still visit our table and take a survey to reflect on whether you are a good partner in a relationship, or a survey to reflect upon whether your relationship is healthy. You self-score and keep your results.
