Registration Sheet Front

Write: Name,
Phone number,
Personal email

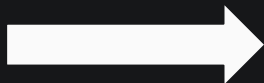

LAST NAME _____ FIRST NAME _____ PHONE _____
PERSONAL EMAIL _____

Registration Sheet Continued

When selecting the courses you want for next school year, put an **X** in front of the course number in the line provided on the online Registration Sheet

For example: I want course number 791, Large Animal Industry Science - I place an X in front of the Course number in the example to the Right

COURSE #	COURSE	CREDIT
	<u>AGRICULTURE</u>	
___ 780	INTRO TO AGRISCIENCE	.5
___ 786	INTRO TO HORTICULTURE	1.0
<u>X</u> 791	LARGE ANIMAL INDUSTRY SCIENCE	.5
___ 792	SMALL ANIMAL VET SCIENCE	.5
___ 793	NATURAL RESOURCES	.5

Registration Sheet Back Continued

Sign up for 6.0-7.5 credits

6.0 Credits = one study hall each term

6.5 Credits = two study halls, no study hall one term

7.0 Credits = study hall in one term, no study hall in other terms

7.5 Credits = no study halls

DO NOT sign up for study hall unless you are choosing a specific term. Study hall will be placed into your schedule if you have less than 7.5 credits.

Registration Sheet Back Continued

Once you are finished selecting your courses:

Please write total credits on the line (this does NOT include alternates)

TOTAL CREDITS: _____

You must sign up for at least 6.0 credits.

You may take up to 7.5 credits.

Registration Sheet Back Continued

Note section of Registration Sheet

Please use this section to write specific information to your School Counselor

Examples: you would like to take a music course two trimesters, please state the trimesters here OR you need to take a course not listed on your Registration sheet

NOTE: (In the space provided below, please let us know if you only need to re-take part A or B of a required class, that you only want two terms of a music class, etc.)

Registration Sheet Back

Write:

FIVE to EIGHT Alternates along with their course number

Alternates are considered choices!!!!

A third or more of our students had to be assigned one or more alternate courses.....**CHOOSE THEM WISELY!!!!**

ALTERNATE COURSE SELECTION

THESE ARE CLASSES YOU WOULD TAKE IN THE EVENT THAT A SELECTED COURSE IS NO LONGER OFFERED OR IS IN CONFLICT WITH ANOTHER COURSE. **BE SURE TO CHOOSE AN ALTERNATE FOR ANY CORE CLASS YOU CHOOSE.**

Please rank them in the order of preference.

Course #: _____ Course Name: _____ Course #: _____ Course Name: _____

Course #: _____ Course Name: _____ Course #: _____ Course Name: _____

Course #: _____ Course Name: _____ Course #: _____ Course Name: _____

Course #: _____ Course Name: _____ Course #: _____ Course Name: _____

Registration Sheet Back

Double check you have a minimum of 5 alternates. Write BOTH course numbers AND course names.

You MUST register next week, even if you fail to complete your registration sheet by then

Going to be sophomores

You **MUST** sign up for the following course, unless told otherwise by a teacher/counselor:

ENGLISH/LANGUAGE ARTS

English II - 1.0 credit **(106)**

Going to be sophomores continued

You **MUST** sign up for **ONE** of the following, unless told otherwise by a teacher/counselor:

SOCIAL STUDIES

Contemporary American History (210)

OR

AP US History (257)

OR

US History to 1877 (262) AND US History to Present (263)

Going to be sophomores continued

You **MUST** sign up for at least **ONE** credit of science, unless told otherwise by a teacher/counselor:

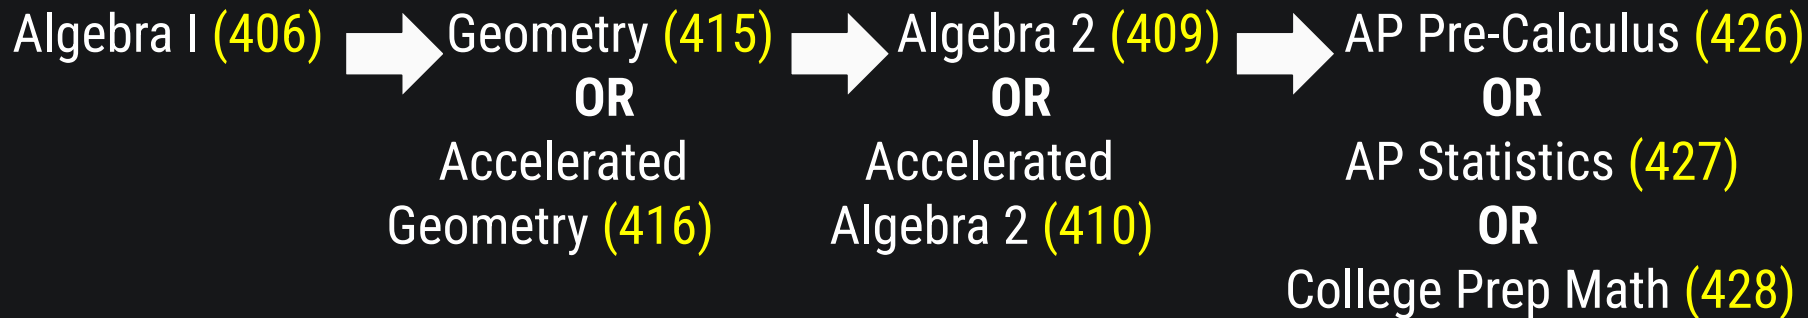

SCIENCE

Review pages 58-63 of the Program of Studies for your science options.

Going to be sophomores continued

You **MUST** sign up for one math course next year. Please carefully review the following math pathways and consult with your math teacher, regarding the best course to choose that aligns with your goals. Most “going to be sophomores” will sign up for either Geometry (415) or Accelerated Geometry (416)

MATH

The example pathway above represents a student who has a desire to attend a 4 year university.

Going to be sophomores continued

Additional Math Pathways Offered at LHS

Workforce Path

Algebra 1 (406) -> Geometry (415) -> Introduction to Statistics (426) or Financial Algebra (421)

Technical College Path

Algebra 1 (406) -> Geometry (415) -> Introduction to Statistics (426) or Math For The Trades (418)
or Intermediate Algebra (420.5)

Heading to a 4-Year University Accelerated Track

Accelerated Geometry (416) -> Accelerated Algebra 2 (410) -> AP Precalculus (413) or
AP Statistics (427) -> AP Calculus AB (423) or AP Calculus BC (425)

Additional Courses offered: Accelerated Financial Algebra (422)

Explorations in Algebra and Geometry (419)

Going to be sophomores continued

The following courses are Lincoln High School graduation requirements. If you did not take these in your freshman year register for them for sophomore year:

PE I (881)

Health (895)

IT Fundamentals I (561)

Going to be sophomores continued

MUSIC

The courses below are elective options if you are interested in MUSIC- they are **NOT** mandatory:

- Sign up for Concert Band, audition for Wind Ensemble
- Treble Voices sign up for Bel Canto Chorus
- Soprano, alto, tenor and bass voices sign up for Mixed Choir
- All sophomores take String Orchestra

Going to be sophomores continued

World Language Options

French, German or Spanish

If you are currently in one of the World Languages above and wish to continue, make sure you register for the correct level

EXAMPLE: If you are currently in Spanish I and wish to go to the next level, register for Spanish II

ADVISING DAY REMINDER – Wednesday, JANUARY 22nd

- **Wednesday, JANUARY 22nd - ALL DAY**
- **Only for brief questions...You may arrange a meeting AFTER registration and make any necessary adjustments**
