Chromebooks

Overall we have tremendous success with each student being issued a Chromebook. Teachers have put lesson plans and assignments in Canvas and students have easy access to this information in their Chromebooks. When teachers know they will be out they can put their assignment in Canvas and students will continue to learn as if the teacher was in the building. It has been working well for teachers and students.

One requirement from students each day is to be sure their Chromebooks are fully charged each school day. Please be sure your student charges their assigned Chromebook at night so that they are prepared for the next school morning. We do not have the capability of charging every student's Chromebooks at the same time.

Thank you in advance for helping us be sure your student is prepared to use their Chromebooks every day.

CAP/GOWN/TASSEL ORDERS

BEST PRICE OF \$33.99 IF ORDER PLACED BY NOVEMBER 18th

All graduates that will participate in the 2025 graduation ceremony are required to wear a cap, gown, and the "Souvenir" tassel. These items will be delivered to school and distributed in April.

- ◇ Order online at [Jostens.com](https://www.jostens.com) by November 18, 2024 to avoid late fees. Cap & Gown may be returned if you do not participate in the 2025 ceremony.
- ◇ If you choose to borrow a cap and gown from a previous LHS graduate you will need to purchase a 2025 "SOUVENIR" tassel for \$13.00 which is also located in the individual products.
- ◇ If you are not able to place your order online, please complete the order form and either send it to: Jostens, PO Box 22, Holmen, WI 54636 or bring it to Mrs. Wefel at LHS.

Cap/Gown/Tassel package prices are as follows:

\$33.99 - If ordered by November 18, 2024

\$49.99 - If ordered between November 19-December 29, 2024

\$59.99 plus late fees - If ordered after December 29, 2024

If you have questions call Jostens at 1-800-567-8367 or Mrs. Wefel in the office at 715-424-6751.

SENIOR Parents: WE NEED YOUR

HELP!! We are looking for several parents to help volunteer for Class Reunion Zero 2025 to keep the tradition going for graduating seniors. The event will be held on Friday, May 30.

We need parents to work together to plan the event, fundraise, buy prizes, plan games, etc. The next parent meeting is **Wed., December 4 at 5:15 p.m. in the LHS main office conference room.** If you would like to make a monetary donation to CRZ, complete the form on page 17 of this newsletter and return to LHS. For more information, contact Joni Feidt at joni.feidt@wrps.net.

SENIOR Pictures: The deadline to submit your senior picture for the yearbook is November 30, 2024. **THERE WILL BE NO EXCEPTIONS TO THIS DEADLINE.** Upload directly to Jostens at <https://photos.jostens.com/TP4U7E>. Head & shoulder front view only, without paraphernalia/props, hats, or hands in the photo. Be sure to label the file with the student's name.

Fees/Fines: All fees and fines MUST be paid prior to a senior participating in graduation. Be sure you are checking Skyward Fee Management regularly to take care of financial obligations.

Vaping and Nicotine Products

The use of vaping and nicotine products is a student health concern at LHS. While we know that the vast majority of students choose not to use these products, we are finding enough use in the building to know that many of our students are vulnerable to these companies' marketing and their destructive products. Students who use them are not only putting their health in jeopardy, they are risking serious disciplinary action. We have school policies against the use of vaping and nicotine products with the goal of keeping them out of our building, but we need your help.

The negative health effects of vaping and nicotine products are obvious, but understudied. Both products are addictive and contain chemicals, such as formaldehyde, which are essentially poison. They create dependency and likely long term damage to lungs and the cardiovascular system. Since we don't yet have long term longitudinal studies on most of these products, some take that as a sign that they are not dangerous. That is a mistake. These products are bad for everyone, particularly our young people.

Vaping products began invading the US market in 2007 and their market share grew rapidly. According to the National Institute of Health, the use of these products by high school students *grew by 900% between 2011 and 2015*. Their fruity flavors appealed to the young people and they were (and remain) easier to get than traditional cigarettes. They give out less smoke, don't smell as bad, and are easy to conceal. Although companies have faced sanctions for marketing directly to vulnerable youth and laws have increasingly restricted sales to underage people, the appeal remains strong in our society, particularly among early adolescents. Fortunately, the numbers nationwide have begun to dip as interest has waned, but the business remains a multi-billion dollar industry.

Students at LHS can get into substantial trouble for vaping in school. We have vape detectors throughout the school and will respond if one goes off. We are allowed to ask for law enforcement to search a student if we have reasonable suspicion of possession or use of vaping products. Students who use a vape while underage can receive a citation, although we prefer to hold that open in order to convince students to take an anti-vaping course online to learn about the negative health consequences of these products. We work to avoid suspension for use of vaping products, but this can be the outcome if students use vapes which contain THC, distribute vapes to others, or use them repeatedly. We do not want to suspend anyone, but we cannot allow these products in our school.

A new development in this fight is the growth of the Zyn, or nicotine pouch, industry. This product has become very popular, very quickly. It is a small pouch which sits in a user's mouth and results in a powerful hit of addictive nicotine. It is also against the rules to use in school, but it is admittedly difficult to catch.

We are fighting back against this epidemic with education. Our students, led by Mrs. Gretchen Niedbalski from WRAMS and recently joined by Ms. Michelle Perry here at LHS, have pushed to implement a FACT group at LHS. The group will use education and positive messaging to fight vaping and nicotine use in our community. Check out their website at <https://www.factmovement.org/> to learn more!

Please help us in this fight. Talk to your children about the dangers of vaping and nicotine use. Do not buy these products for any minors and spread the word to others you know to not either. Communicate with us if you hear of concerns and we'll address them. Our students deserve this for their own health and safety. Thanks for reading!

Go Red Raiders!

Hunters

Virtually every student needs as much time in school as possible. Absences for any reason cause lapses in progress for most students. We do, however, recognize that families often hunt together and that vacations are often planned around deer season. Therefore, if you must take students out of school for deer hunting, be aware that in order to have an "excused" absence for deer hunting, students must pick up and complete a "Prearranged Absence" form from the high school office, and return it to the office prior to their absence. Please remember that it is the student's responsibility to make up all work that is missed during their absence. Teachers may request exams to be taken before the absence. Please note: Be sure no hunting weapons are left in any area of your student's car including the trunk; it is against the law. Hunting is not an excused absence for those participating under the co-curricular code of conduct.

Students Leaving Early

We realize that students need to leave early periodically for appointments, etc. Parents/guardians can send a written note with your student in the morning to get a pass from the attendance clerk. Or, you can put your request in Skyward Attendance, however, keep in mind that it is not monitored every minute of the day, or you can call the office (press 2 for attendance).

We ask that you give us a **TWO-HOUR** notice before your student is to be dismissed. Keep in mind that office staff needs to prepare a pass, locate your student (which may be in lunch, phy ed, class, etc.), and get them to the office to be dismissed timely. Your student will not be able to leave their classroom without the written pass from the office.

ALL students **MUST** go to the office to sign out before they leave the building. You may pick up your student in the front lot between 7:45 a.m. - 2:30 p.m. If before or after that time, please pick them up in the student lot.

Student Absences

When your student is absent for any reason or coming in late, you should either report this absence by using Skyward, phoning in on the Attendance Line, or by sending a note. If you go through Skyward or call the Attendance Line, you do not need to send a note in with your student when they return. Only one of these methods is necessary.

Students coming in late **MUST** check in with the office to get a pass and sign in.

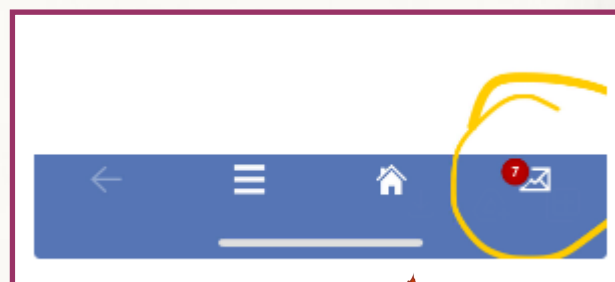

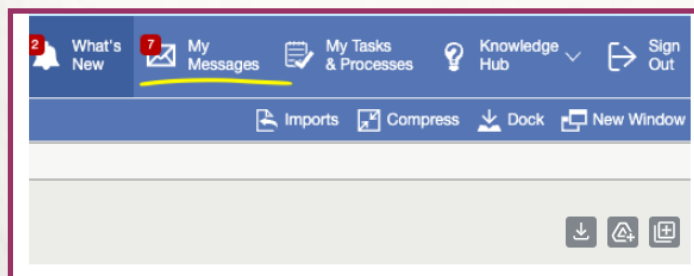

Attendance Line: 715-424-6765

Absences entered by Parents

Parents are able to add an absence request in Skyward Family Access. You will add the start and end date, all day (if applicable), attendance reason, and a comment. If you have a doctor/professional note, you are able to attach it when you enter the absence or when you receive the note at a later time.

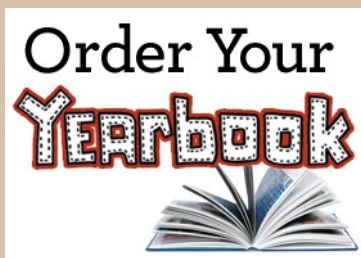

Progress Reports

Due to the availability of Skyward Family Access to parents, we do not send progress reports to parents. Notification settings in the new Skyward are done from the My Messages icon in Family Access. It is in the upper left on a computer via a web browser or in the lower left on the App on your mobile device. In both places the icon looks like an envelope. See the screenshots below. Once in the My Message area click on Settings and then you can set up your notifications.

Yearbooks

If you haven't ordered your yearbook yet, you can still place an order for \$63.00 until February 21, 2025. After that date books will be sold for \$69.00. Yearbooks MUST be ordered online at jostensyearbooks.com or call 1-877-767-5217.

Toys For Tots

During the 2024 holiday season, "Toys for Tots" will be jointly operated by the Grand Rapids Lions & FOCUS. If your family is in need this holiday season, register your family by December 2, 2024. See pages 15 & 16 of this newsletter for more information.

School Closings

You can gather all the information you need about weather related school closings by listening to any local radio or television station. If the radio or television doesn't have word of a WRPS cancellation, then you can safely assume that school is in session. Please do not call school, the radio, or television station.

Note that when school gets canceled, all other activities scheduled in school buildings for that day are also canceled. As outlined in [Board Policy 723.1](#), it is possible that certain dates will be designated as Remote Learning Days - we will communicate more about expectations for students on these dates when they occur.

Class Rings

Jostens recently met with freshmen about class rings. However, any student may order a ring at [Jostens.com](https://www.jostens.com). Order before November 5th to receive \$20.00 off your ring using promo code RING20 (does not apply to certain styles). If you have questions call 1-800-854-7464 or see Mrs. Wefel in the main office for a ring packet.

Incourage Scholarships

Incourage is preparing for the 2025 Scholarship season and they are excited to announce that scholarship applications will be available prior to Winter Break!

- The online application will open December 16, 2024
- The online application deadline is January 24, 2025

This will give students an opportunity to work on their application over Winter Break if they so choose.

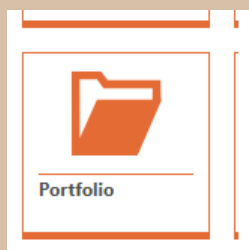

Watch for Incourage Scholarship information coming soon from Ms. Holly Zwicky in Student Services. Refer to the [Incourage Foundation website](#) for more information.

Skyward Documents Translated

Skyward has implemented a new tool for parents to translate items in the student portfolio in Family Access. By following the steps below parents/guardians can translate the current report cards and other recently added portfolio documents to their preferred language.

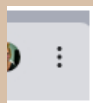

In Family Access on the home screen, click on the Portfolio tile for a specific student:

Since this is a new tool, it will only work on recently added documents and those going forward. In the portfolio, anything that has the icon below (looks like an eyeball) can be translated to a different language:

- Click on the eyeball icon and the document will populate in English.
- Next, click on the 3 dots in the top right corner of your screen.

- Next, click on Translate and you will see a Google Translate pop-up.
- Click on the 3 dots on the pop-up.
- Click on Choose Another Language.
- Use the dropdown to select the preferred language.
- Click on Translate and your document will translate to the selected language.

Season of Sharing

It's that time of year again! Season of Sharing (formerly Community Candles) is a long-standing program by Lincoln's Academic and Career Planning Center that raises funds to provide gifts for Lincoln students facing financial challenges.

This year, we're excited to continue using an online giving platform from November 18th to December 9th, with a goal of raising \$2,500. Follow our social media pages for donation details once the period begins. Plus, there will be an RPT competition to see which classroom can raise the most funds!

We appreciate the support of Lincoln sports teams, clubs, organizations, LHS and WRPS staff, and community members.

For questions, please contact Liz King at elizabeth.king@wrps.net or call 715-424-6750 ext. 4030.

Keep Kids Warm

Are you a student or parent of a student in need of winter gear - coat, boots, snow pants, hat, or gloves? If so, you can register for a slot at [Keep Kids Warm](#).

There is no cost for either event held on November 5th from 10:00 a.m. - 3:00 p.m. and November 19th, 7:30 - 10:30 a.m. at East Junior High School. We will be accepting donations winter gear that your child has outgrown. We invite you to participate as you are able.

MyACT.org

ACT has an online platform called MyACT that allows students to access their scores, register for future tests, and more.

MyACT.org is a tool that allows students to register, schedule, and pay for future ACT tests, explore ACT test prep products, and access and send their scores to colleges and institutions of their choice. MyACT.org also contains free college and career planning tools to help students navigate their next steps and provides insight to their interests and how they align to their future goals.

Once the scoring process is completed, students will receive their scores in the mail, if they provided their correct mailing address during testing. Their scores will also be available in MyACT. Their mailed score report will contain a supplement providing them with information on how to create a MyACT account that will successfully link to their state testing scores, using their uniquely assigned ACT ID number included on their mailed report. If your students have trouble creating or accessing their scores, or if they created an account without using their ACT ID number, please have the students contact ACT Customer Care at <https://www.act.org/content/act/en/contact-act.html> for assistance.

November Newsletter From the Nurse

Colder weather seasons are coming upon us along with other viruses and illnesses. Please make sure you are sending appropriate outside clothing with your student (hats, gloves, winter jackets). Below are some ways to protect yourself and others from severe respiratory viruses.

CDC recommends that all people use core prevention strategies. These are important steps you can take to protect yourself and others: more information by clicking on the links below.

- Stay up to date with [immunizations](#)
- Practice good [hygiene](#) (practices that improve cleanliness)
- Take [steps for cleaner air](#)
- When you may have a respiratory virus:
 - Use [precautions to prevent spread](#)
 - Seek health care promptly for testing and/or treatment if you have [risk factors for severe illness](#); [treatment](#) may help lower your risk of severe illness
 - People with asthma may notice worsening symptoms: talk to your health care provider if your symptoms are not controlled ([STUDENTS/PARENTS](#); remember to send inhalers to school with a doctor's order)

LHS/RCHS-BBS

Bridging Brighter Smiles will be providing dental care for students right here at LHS. The program is open to students in grades 9-12. Each student that enrolls will receive 2-3 visits per school year. Enrollment information was emailed home previously or you can register at <https://enrollment.bbsmiles.org/>. A paper copy is available, please ask the main office.

Immunizations-prepare for next school year:

If your child received any immunizations recently, please call/report that to your school nurse, so they can update accordingly. See below for ***NEW*** immunization requirements that went into effect starting the 2024-2025 school year. A parent may call the clinics to make a "nurse-only" appointment for vaccinations as long as they are up to date with their pediatrician visits. Be prepared for next school year! If your child should not receive immunizations for any reason, please fill out a waiver by clicking on this link [Immunization Form](#). Return the completed paperwork to the nurse. If you have updated immunizations throughout the school year, please turn those into the nurse to be updated in our system.

For entry to kindergarten through seventh grades, students need:

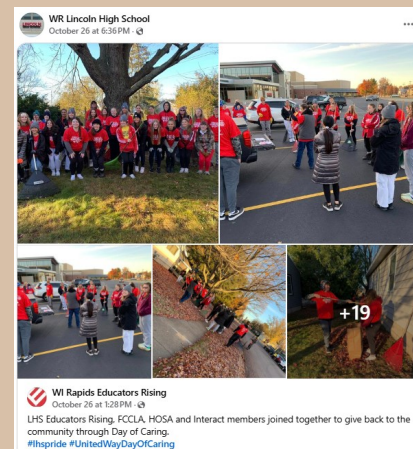

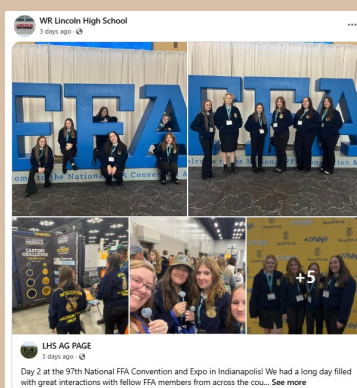

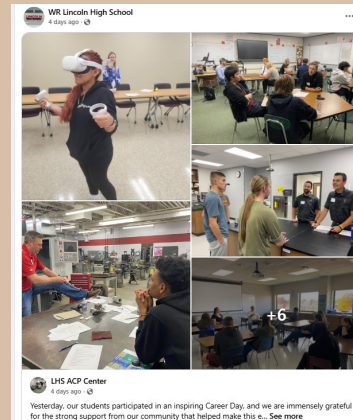

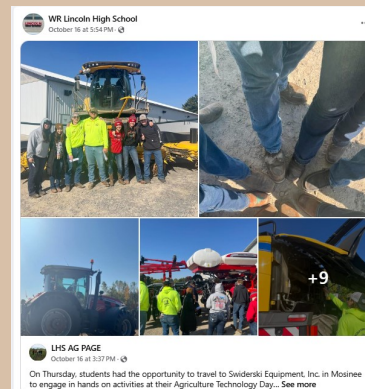

- 4 doses of polio vaccine
- 2 doses of varicella (chickenpox)*
- 3 doses of hepatitis B
- 2 doses of MMR
- 4 doses of DTaP/DTP/DT/TD
- 1 Tdap at seventh grade

NEW* • 1 MenACWY-containing vaccine at seventh grade**

For entry to 12th grade

All of the above **AND *NEW* • 1 MenACWY-containing booster (2nd dose in series)*****

To Parents of Lincoln High School Seniors,

Please help us create a special night celebrating academic success for Lincoln High School graduating seniors!

Lincoln High School parents of graduating seniors have established a tradition called **Class Reunion Zero**. **CRZ** is a graduation party held in a well-chaperoned, substance-free, environment as a way for seniors to make final memories together as a graduation class. This year's event will be held on **Friday, May 30, 2025**, at Lincoln High School.

This event has been made possible in the past through donations from parents, student organizations, and community businesses. Cash donations will be used to fund entertainment for the evening including a hypnotist, inflatables, and carnival games. These donations will also be used to purchase food and grand prizes such as laptops, televisions, dorm-sized refrigerators, microwaves, and gift cards. Prize donations are also welcome and will be used as additional items for drawings throughout the evening. If you would like to help with CRZ, or just want to find out a little bit more about the event, watch for more information about future parent planning meetings.

___ I would like to be on the CRZ committee, but was not able to attend the informational meeting.

___ I am not interested in being a part of the CRZ committee but I am **willing to volunteer** to help the night of the event.

AND

___ I want to support Class Reunion Zero 2025 but do not want to do any fundraising. Here's my \$25 instead.

___ I am really busy, but want to help the class of 2025 celebrate! Here's my \$50 instead.

___ I'm making this donation in appreciation for not having to do anything except complete this form. Here is my donation of \$_____

Contact information:

Statement Concerning Non-Discrimination / Sex Discrimination

Pupil Non-Discrimination Statement

The School District of Wisconsin Rapids is committed to equal educational opportunity for all District students. The District will not deny any person admission to, participation in, or the benefits of any curricular, extra-curricular, pupil services, recreational or other program or activity because of a person's gender, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, transgender status, gender identity, or physical, mental, emotional or learning disability, or any other characteristic protected under State or Federal civil rights laws. Incidents of discrimination or harassment should be reported to a teacher, administrator, supervisor, or other District employee to be addressed or forwarded on to District Compliance Officer Brian Oswall.

Special Statement Regarding Sex Discrimination Under Title IX

The Board of the School District of Wisconsin Rapids does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admission and employment. Inquiries about Title IX may be referred to the District's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights ("OCR"), or both. The District's Title IX Coordinators are:
