The wonders of geometry and algebra allow us to predict with high degree of certainty that there will be a partial solar eclipse tomorrow, starting at 10:34 AM and ending at 1:15 PM. The wonder of meteorology allows us to predict that, unfortunately, the sky is likely to be cloudy. If the sun finds a way to peek through the clouds between 10:30 and 1:15, WRPS teachers will have options available for you to view the eclipse safely. We'll be set up near the spire at Lincoln and on the west side of the YMCA parking lot. If it's cloudy the events will be canceled.

It's time to register for the STATE THEATRE FESTIVAL! Students that are NOT in the fall show (*The Art of Being Vague*) and have been involved in theatre at some point, you are most welcome to attend this field trip on Friday, Nov 17th. Permission slips are available by the Green Room or see Canvas for details. Contact Mrs Danke or Mr Krommenakker if you have further questions.

If anyone has questions or needs help with anything Mid-State related, Carly will be here on Tuesday, October 17th in the ACP Center from 10:00-12:00.
