Imagine what it would be like to live without clean water here in Rapids. You might have to drink water from Wazeecha or bathe in the Wisconsin River. Gross. For people all over the world, that is an unfortunate reality. Next week, as part of their Rotary World Interact Day challenge to conduct a project of international impact, members of Interact/Cool 2 Be Kind will be collecting money during RPT to impact those facing obstacles with water around the world. The class that raises the most will be titled "The Biggest Wave Maker," and that entire class will be rewarded with a mini cupcake at lunch on Friday! Every penny counts, so please consider donating! Also, stop by our activity table at lunch on Monday to answer trivia and have a chance to play PLINKO for prizes!
