You might be wondering, "Why should I donate to a global cause when there are needs close to home?" Members of LHS Interact/Cool 2 Be Kind do many projects each year to impact our school, district, and community. As a Rotary-sponsored club, we are also challenged to think beyond our zipcode and borders to extend our impact on the larger world community. "Clean water is a basic need for human beings. When

people, especially children, have access to clean water, they live healthier and more productive lives. However, at least 3,000 children die each day from diseases caused by unsafe water, which is what motivates [members of Rotary] to build wells, install rainwater harvesting systems, and teach community members how to maintain new infrastructure.” This is why Interact/Cool 2 Be Kind is challenging students of all grade levels to donate money in RPT through Thursday. It is also why we are choosing to reward the entire grade level that donates the most money with a mini cupcake at lunch on Friday. Teachers, please remember to ask if anyone in your RPT right now would like to make a donation for Interact Week.
