Student P.R.I.D.E. Reward Contract

According to the Wisconsin Department of Public Instruction, "School districts may establish a program that allows a pupil enrolled in the high school grades who has demonstrated a high level of maturity and personal responsibility to leave the school premises for up to one class period each day if the pupil does not have a class scheduled during that class period." To recognize our students we have created the LHS Student P.R.I.D.E. Reward program.

As parent/guardian, I have read the guidelines for the LHS P.R.I.D.E. Reward program and give my child permission to be granted these privileges, if s/he is eligible.

I understand that violations to LHS rules, regulations or policies will result in loss of participation in the program. I also understand that my student is expected to be in attendance at all school assemblies, ACP activities, and/or events scheduled during this time period.

I also understand that by giving my consent for my student to participate in this program, I relieve the school of all responsibility to my child's actions during the times spent off campus.

This program does not relieve me of any parental responsibility.

This waiver must be signed, approved and on file in the LHS office before your student is granted participation in the reward program. A parent/guardian may revoke his/her approval for this program by directly contacting the Lincoln High School office.
