Meetings happening right now:

Educator Rising in room 103

An admissions counselor from UW-Eau Claire is in the ACP Center now to talk with any students interested in their university.

Today's Seven Mindsets Quote of the Day:

"Go out into the world with your passion and love for what you do, and just never give up." Dianne Reeves

CONGRATULATIONS to today's pride winner Rose Paul! Please stop in the main office to pick up your prize.

The library and Chromebook Care Center are closed today from RPT through 5th hour. No Chromebook help, study hall check-in, or book circulation will occur today.

Students - check your email for the 2023 Homecoming court ballot that was emailed Monday afternoon. You must be logged into your school email to vote. Voting ends on Friday at 3 pm.

Mock Trial will begin in October. Please contact Mrs. Hepp with any questions or to sign up if you didn't already do so at the activities fair.

Our boys' soccer team invites you to come watch us take on SPASH tonight for our 6th annual Kicking the Stigma game. Both teams have collected sponsorships and pledges in support of NAMI of Wood and Portage Counties. 1 in 6 teens in this country experience a mental health disorder each year. NAMI wants you to know that they recognize the struggles that many teens face when it comes to mental health and that they are ready with resources to help support you. Please remember: you are cared for, you are important, and you are not alone. We look forward to seeing you at the game tonight. Let's kick the stigma against mental illness and beat SPASH!

Do you think you have what it takes to be this year's homecoming cornhole champion?! Then grab a partner, \$5, and come sign up during all lunches this week! Games begin this Sunday, September 24th, at noon. See you there!

HOSA: Future Health Professionals will be holding its first meeting on Tuesday during RPT in Room 216. If you are interested in a career in healthcare, stop by and see what we are planning for this year.

Interested in learning about being an on-air anchor, working a studio camera, or directing a live broadcast?? The LHS Live Stream Team uses media technology to live stream district events, run the South Wood County Stadium video board, and operate Lincoln's very own broadcast studio. There will be an informational meeting this week Thursday, during RPT in Room 229, for any students interested in joining the team. No previous experience is necessary-- just an eagerness to learn and become skilled in media productions.

Seniors! Are you interested in doing a short dance with a staff member at our Monday Homecoming assembly? Find a staff member willing to dance and contact your senior class president to get more information. Limited to the first 20 teams.

Do you have your privileges? Need a quiet place to work during non mandatory RPT days? You may check into the library. Limited to the first 40.

All detentions and/or Thursday schools MUST be served in order to attend Homecoming.
