Welcome back! We are so happy to be able to welcome students and staff back into the halls of Lincoln for the 2023-24 school year!!! We have had four very successful schedule pick-up days and welcomed 350 freshmen to LHS for the first time during our Link Crew celebration. It is our hope and desire that the members of the Class of 2027 enjoy and appreciate the many new opportunities they have as high school students. We also welcome 14 new staff members to Lincoln High School. We look forward to you meeting our new staff members during school visits and through their introductions which will appear in the October newsletter.

As mentioned at the end of last school year in our weekly updates, our focus this school year is for students to be Engaged and Committed. Using our #RapidsPride initiative, we continue to instill the importance of all students to be **Respectful, Responsible, and Committed** to Self, School, and Community. One way for students to be more engaged is to put the phones away. All classrooms and academic study halls are phone free, this also includes AirPods, earbuds, etc. Students will only be able to access this technology during passing time or over the lunch period. If you need to deliver a message to your child, please call us in the main office.

The second area of engagement we will be promoting this year will be in regard to school [attendance](#). Students who miss over 10% of the school year (17 days) are considered chronically absent. In Wisconsin, parents/guardians may excuse their child for up to 10 school days. This is one day a month. After this, communication with the administration will occur and professional excuses will be required. Post-pandemic the number of students who miss over 10 days has grown out of control. In order to succeed in academics, students need to be in the classroom. Please work with us to have your child attend school and eliminate truancy. We supplied in the August newsletter as well as at schedule pick up our attendance brochure.

With good attendance and engagement in the classroom, we look to increase our academic performance in the areas of mathematics, English, and writing. We will have a more focused use of RPT time, an increase in tutoring services in our [Success Center](#), and ACT test preparatory programs for our students. In addition, if your child needs academic assistance outside of school, there is a new program offering tutoring services called [Engage Wisconsin](#).

Principal's Message cont.

Lastly, we look forward to engaging students on committing to what they will be doing after high school. With our Academic and Career Planning (ACP) lessons during RPT as well as offering college visits, youth apprenticeship programs, job shadows, and volunteer opportunities, we continue to provide opportunities for students to envision life after high school.

We know that students who are involved in school perform better academically. At LHS, we are lucky to offer over [50 clubs/activities](#) ranging from E-sports, to crochet club, to forensics, to drama to just name a few. In addition, we offer over 23 sports and athletic clubs. To help students learn about these activities, we will offer a "Club Awareness" smorgasbord during lunch on September 14th. The mission that we are dedicated to is "To Develop The Skills and Character To Achieve Success."

Throughout the year, I encourage parents to regularly check Skyward for the official grade book and become observers in Canvas (see page 11 for instructions). By becoming a parent observer you will see teacher announcements, due dates, and gain insights into the class your child is enrolled in. In addition please email your teachers with any questions or concerns that you may have. Parent-Teacher Visitation (PTV) will be on Monday, October 16th.

The most current information will be available via our social media channels. "[Like us on Facebook](#)," "[Follow us on X \(formerly Twitter\)](#)" "[Follow us on Threads](#)," [Follow us on Instagram](#)," or "[View/Read our Daily Announcements](#)." It is through these mediums that we will highlight the many positives that occur in our classrooms, hallways, theatres, or fields. In addition, the back page of each newsletter highlights the past month of good news.

I wish each and every student an excellent school year filled with many achievements. I encourage each student to follow a passion, join one of our 60+ clubs and sports teams, and leave Lincoln a better place than when they entered. Please contact me at LHS anytime with questions regarding the upcoming school year. Working together we will showcase our #RapidsPride and move #LincolnForward! Proud to be the Red & White of Rapids!

Senior Information

Mandatory Senior Meeting

There will be a **mandatory** meeting for all seniors on Wednesday, October 24th at 11:00 a.m. in the PAC. You will be measured for your cap/gown and receive a Jostens information packet regarding graduation diploma name and related graduation items. After this meeting you will be able to begin ordering cap/gown and tassel and other graduation items. The earlier your order the items, the cheaper they will be. Order online at [Jostens.com](https://www.jostens.com) by November 14, 2023 to avoid late fees. Cap & Gown may be returned if you do not participate in the 2024 ceremony. See Mrs. Wefel in the office with any questions.

Senior Pictures for the yearbook are an important part of Lincoln's history. Therefore, it is important to have every senior's picture included. All seniors had an ID photo taken at schedule pick up. This will be used in the yearbook unless we receive a different photo by November 30th. There will be no exceptions to this deadline. Portraits submitted must be a traditional professional-grade head and shoulder shot, without paraphernalia/props, hats, or hands in the photo. To submit a senior portrait, follow these steps:

1. Log on to: images.jostens.com
2. Enter Login ID: 0k1xatuuYJ5e6tQs2tKPXpw
3. Browse to select the photo you wish to upload, click on "Select My Images"
4. Enter information about the photo and provide contact information in case the staff needs additional information.
5. Click "Upload Chosen Images"

Are you a parent or guardian of a senior student?? We are in need of a coordinator for Class Reunion Zero 2024 to keep the tradition going for graduating seniors. We will work with you and give you information from previous years to get started. If you are interested in coordinating this parent run event for the 2024 graduating class or have any questions, please contact Mr. Rasmussen at ronald.rasmussen@wrps.net or 715-424-6751 x4002.

Seniors: We have integrated Common App with Xello

Beginning this school year, we have integrated Common App into Xello. Students use both Common App and Xello to help track their college applications. For colleges that work with Common App, students send requests to educators to send application forms on their behalf. They request a counselor send their counselor forms, and a teacher send a teacher evaluation.

Students will continue to complete the rest of their application tasks directly in Common App, including building out their profile, creating the **My Colleges** list, and submitting the college application.

Once students have synced their accounts, the colleges they save in Common App will show in Xello. Students will also see all the colleges that use Common App by the logo next to the college name. By clicking on one of these schools, they can begin sending a request to an educator.

FERPA Release Authorization

Before students begin working with Common App in Xello, we recommend they first sign in to Common App and complete the following tasks:

How students complete the FERPA release authorization:

- Students sign in to Common App.
- They click the **Common App** tab. From the left menu, they click **Profile** and then **Education** to complete the required fields.
- They click the **College Search** tab, and add at least one college they plan to apply to.
- From the **My Colleges** tab, they open one of their saved colleges. From the left menu, they click **Questions** and fill out their **Preferred Start Term**.
- In the left menu, they click **Recommenders and FERPA**. They read and complete the **FERPA Release Authorization** form.

Integrate with Xello

Once they've signed the **FERPA Release Authorization**, students can connect their Xello account to Common App.

How students integrate their Common App account with Xello:

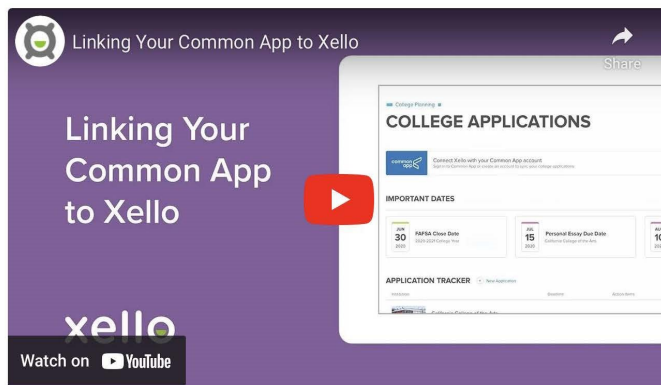

- From their dashboard, under **Goals & Plans**, students click **College Planning**.

Common App/Xello Continued

- ○ Click to enlarge
- They click **View my applications** to see their full list of colleges they're tracking.
- At the top of the page, in the banner with the Common App logo, the student clicks **Connect**.
 - A pop-up will inform them they may need to redo tasks they've previously completed. This could include assigning a counselor or a requesting a teacher evaluation.
 - The Common App login page opens.
- The student signs in to Common App (or creates a new account if they haven't yet).
 - Once they've successfully logged into Common App, they're redirected back to the page they left in Xello.
 - The banner at the top of the page now states the accounts are connected.

[The video shows students how to link the Common App to Xello](#) (1:19). This video is also available in [Spanish](#).

Students will be dismissed at 2:20 p.m. on the following dates. Buses may arrive a little earlier than normal and students should be prepared to load buses when they arrive. Students that need to be at school until the bus arrives will be supervised in the commons.

Sept 13 & 27, Oct 11 & 25, Nov 8, Dec 6 & 20, Jan 3, 17, & 31
Feb 14 & 28, March 13, April 10 & 24, May 8 & 22

Class Ring Orders

All freshmen will receive information regarding ordering class rings on October 24th during a mandatory meeting. If your student is interested in purchasing a class ring, be sure to review all the options.

Your story. Your style. Your Ring.

Parking Hang Tag

If your student plans to drive to school and park in the student parking lot they are required to have a parking hang tag displayed on the rearview mirror no later than **Tuesday, September 12th** or fines will be issued. Hang tags can be purchased for \$25.00 after all information is completed for parking in Online Enrollment Verification. Once completed, students can pick up their hang tag in Student Services.

Chromebook Care Policy

Students have the option to purchase ChromeCare for \$25.00/year. This care policy will cover accidental damages that may occur at a reduced price. If the care policy is purchased **ALL FOUR YEARS** of a student's high school career, the student will be given the Chromebook after graduation. **The deadline to sign up for the Chromebook Care Program is Friday, September 15th.**

STUDENT AND CLUBS ORGANIZATIONS

During the lunch periods on September 14th students will have the opportunity to receive information from many of the 50+ clubs that are available for students to join at Lincoln. Club Advisors/members will be available to answer any questions students may have. With so many club offerings, there is definitely something for every interest. Be sure to take advantage of this opportunity to get involved in a club at Lincoln this year! Click [here](#) for a short description of each organization.

On-Line Enrollment Verification

ALL WRPS families should have verified information about their student(s) through this process. If you have not done this yet, please go to your "Family Access" account (where you check on your students' grades, attendance, etc.) to take care of this as soon as possible. If you have any questions, contact Mrs. Russo at 715-424-6750 x4010.

Gifted and Talented

Greetings WRPS families! My name is Kelly Bluell and I am the K-12 Gifted-Talented Coordinator for WRPS. In addition to being the K-12 GATES Coordinator, I will also be teaching math part-time at WRAMS.

If you have any questions or concerns regarding our gifted-talented program and the opportunities available to our students, please feel free to contact me at kelly.bluell@wrps.net. Please take time to check out our GATES webpage! It is a resource for all members of WRPS (staff, students and our families). You can find a link on our district website under the "Schools" tab and in the menu for "Other WRPS Programs" on the far right. Thank you and have a great school year.

Progress Reports

Due to the availability of Skyward Family Access to parents, **we do not send progress reports to parents.** You may subscribe to receive weekly email notices in Skyward Family Access. Go to the My Account tab at the top of the screen and you will be given a choice of receiving emailed notices for Grading & Progress Reports. If you click in this box you will receive a weekly email if any of the following criteria was met

that week. Please be sure your email address at the top is correct. If not, this is where you can change it for you or your spouse. If any other information needs changing, please click the "Contact Us" button at the top of the page and send us the changes. Please be sure to include the student name as family information does not come with the emails.

Raptor Visitor Management System

LHS uses the Raptor Visitor Management System to know who is in our building at all times to help us maintain security. Upon entering the building all visitors will proceed to the main office. Visitors that will be moving beyond the office will be asked to **present a valid state-issued ID** that will be scanned into the system. The system will then check to ensure that the ID does not match up with any registered sexual offenders in a national registry.

It is important to note that the Raptor system only scans the visitor's name, date of birth, and photo for comparison with a national database of registered sex offenders. Additional visitor data from the driver's license is not collected nor is the system connected to any other system such as the State Department of Motor Vehicles. Therefore, any other information listed on the ID is not scanned by the system or used during the visitor registration process. Once the visitor has been approved, a temporary badge will be issued for use on the day of the visit. Visitors who have been identified as a sex offender will be denied access to the school.

The safety of our students and staff is our highest priority, and the Raptor visitor management system provides another layer of security and consistency when screening visitors on a daily basis.

Voters can start the voter registration process on MyVote.wi.gov but will need to mail or deliver their signed, completed voter registration form to their municipal clerk by the registration deadline. Voter registration forms cannot be submitted electronically. Voters must provide a proof of residence document with their voter registration form.

Do I Need to Register to Vote? If a regular voter is voting for the first time, has changed their Wisconsin voting address, or has changed their name, they

will need to submit a new voter registration form. Voters can also be inactivated if they have not voted in four years or have been determined to be ineligible to vote. If your voter status is showing as "inactive" on MyVote.wi.gov, you will need to submit a new registration before you can vote.

When can I Register to Vote?

- **Deadline to Register by Mail:** If you will be mailing your voter registration form to your municipal clerk, it must be postmarked at least 20 days prior to the election for which you are registering.
- **Deadline to Register in Your Municipal Clerk's Office:** If you are registering to vote in-person in your municipal clerk's office, you may do so until 5:00 p.m., or the close of business, on the Friday before the election for which you are registering.
- **Deadline to Register at Your Polling Place on Election Day:** If you are would like to register to vote on Election Day at your polling place; you may register to vote at your assigned polling place between 7:00 a.m. and 8:00 p.m. on Election Day.

How do I get more information? Visit MyVote.wi.gov

WRPS Emergency Situation Information

Should an emergency situation ever arise while school is in session, we want you to be aware that the District has made preparations to respond effectively. Each year we conduct periodic safety drills during the school year for a variety of potential emergencies which could occur. In cooperation with our School Resource Officer, we practice and prepare for the event of a school emergency that would require a lockdown or evacuation. We practice these drills to ensure the safety of all students, staff, and visitors in our school buildings. We also lock all exterior doors in the building during the school day and use a “buzz-in” system for visitors. Plan to check in at the school office when visiting your child’s school. Background checks and visitor badges are also utilized in our schools as part of the District safety response and preparedness plan. Our school district has a detailed emergency operations plan which has been formulated to respond to a major emergency situation. Your cooperation is necessary in any emergency. During an emergency situation:

1. *Do not telephone* the school as the phone lines will be in use by the school district to coordinate emergency services. A hotline will be established as soon as possible for family members to call in order to receive the most up-to-date information concerning the emergency.
2. *Do not go to your child’s school* unless you have been directed to do so.
3. Students will be kept at school or at an off campus evacuation point and only released to a parent/guardian or an adult who has been authorized by you either on a Registration/Enrollment form or through your completion of the *On-Line Verification* process in Skyward Family Access.
 - a. Parents must be patient with the students release process to ensure the safety of all students.
 - b. While we are familiar with the faces of many of our families, a proof of identification will be requested before a student gets released.
 - c. It is critical that you keep the Emergency Contact information updated in Skyward Family Access at all times.
4. Information from the School District will be distributed through radio/television stations, the School District web site, Skyward Family Access message center which sends messages to parent email addresses, and through the Nixle alert system (to sign up for Nixle, visit our webpage and click on the “District” tab found at the top of the main page). If necessary, parents/guardians will be contacted directly by telephone.
5. Prior to an emergency, impress upon your children the need for them to follow the directions of any school or emergency personnel in times of an emergency.

Please discuss these matters with your family. Planning ahead will help alleviate concern during emergencies. Should an emergency situation occur, we thank you in advance for your patience and cooperation. Feel free to contact Mr. Rasmussen if you have any questions.

Busing Information

Wisconsin Rapids Public School busing information is now available in Skyward Family Access. Log in to your Skyward Family Access account and click on the **Busing** tab from the menu on the left side of the page to view the bus information.

If you have any questions regarding your bus route, please contact Safeway Bus Company at 715-423-1117 or Lamers at 715-421-2400 x2.

Click here for Skyward instructions: [ACCESSING BUS INFORMATION IN FAMILY ACCESS.pdf](#)

Athletic Event Bag Policy

In order to maintain the safety and security of our spectators and athletes, LHS will be implementing a fully clear bag policy at all LHS sporting events effective immediately. Fans will be allowed to bring in a fully clear plastic bag that does not exceed 12” x 6” x 12 “. **NO backpacks, purses, coolers, or stadium seats with zippers will be allowed.** Medical bags, diaper bags, and any ADA-specific bags will be allowed. All bags are subject to inspection upon entry or while on school grounds. Thank you for maintaining the safety of our athletic events.

Blocksi - Keeping Students Safe

WRPS uses Blocksi as a content filtering program over the summer. This program will keep students safe at school and home when using their school-issued devices and accounts. As a partner in your child's education, we feel it is of value to give you access to the Blocksi manager. In the parent dashboard, you'll have a real-time view of your child's activity on their school device or account. In addition to these features, you will be able to block specific categories such as social media and gaming on your child's school device or account when they are logged in at home. Blocksi also has the capability to pause the internet at home. You will also be notified of any flagged activities pointing to self-harm or bullying related to your child.

You will receive an email invitation to Blocksi to set up your parent dashboard. You can also access the dashboard via an app available for Android and iOS devices. You can access the web-based version by navigating to <https://blocksi.net/bmee-parent.php>.

If you receive an email or error indicating your email address is not found, verify in your Skyward account that you are using the correct email address. If you are unable to verify your email address, please reach out to your child's school secretary to make sure you have a valid email address on file. Other questions can be directed to Phil Bickelhaupt, Director of Technology, at phillip.bickelhaupt@wrps.net.

You can access the Blocksi Parent Hub [here](#) with resources for using the Blocksi Parent Dashboard and helping you manage your child's chromebook.

Children's Mental & Behavioral Health Navigator

The Well Badger Resource Center team is thrilled to announce the launch of the [Children's Mental and Behavioral Health Resource Navigator!](#) This project has been in the works for two years and we're incredibly grateful to everyone who has helped out!

What is it?

A brand-new free and confidential online tool to help parents, caregivers and professionals in Wisconsin navigate services for children's mental and behavioral health. When a child is struggling, we want to get them the help they need and deserve, but with so many different options and potential barriers like insurance, cost and access, it can be confusing and difficult to find the right service(s).

How it works

Caregivers, parents or professionals confidentially answer a few questions on behalf of a child, adolescent, or young adult under 21 years old. The Navigator provides a customized guide with suggested next steps and applicable resources for understanding and navigating mental health resources.

Now available, the [Children's Mental & Behavioral Health Navigator](#) - please share!

Student Drop Off/Pick Up

- ⇒ Parent drop off and pick up for students is in the student (south) parking lot. Drive to the east side of the parking lot and stop along the long curb running north and south.
- ⇒ The front parking lot is reserved for buses before and after school. Once buses are gone at 3:10 students can be picked up in the front.

Thank you for helping to keep our students safe.

WRPS Pupil Nondiscrimination statement...The School District of Wisconsin Rapids is committed to equal educational opportunity for all District students. The District will not deny any person admission to, participation in, or the benefits of any curricular, extra-curricular, pupil services, recreational or other program or activity because of a person's gender, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, transgender status, gender identity, or physical, mental, emotional or learning disability, or any other characteristic protected under State or Federal civil rights laws. Please review Board Policy 411 for additional information. Incidents of discrimination or harassment should be reported to a teacher, administrator, supervisor or other District employee to be addressed or forwarded on to District Compliance Officer Brian Oswall.

WRPS Sex Discrimination Under Title IX In compliance with the federal Title IX statutes and regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations, the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX's requirement not to discriminate in any education program or activity extends to cover, but is not limited to, District students, certain admissions processes, and District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to the District's Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both. Please refer to [Board Policy 411.11](#) for additional information.

Welcome Back from the Nurse!

Medications

Students requiring administration of prescription medication at school must have a **PHYSICIAN/ DENTIST ORDERS FOR ADMINISTERING PRESCRIPTION MEDICATION IN SCHOOL** form on file in the nurse's office. This form and additional health forms (seizure, migraine, food allergies, bee allergies) may be found on the WRPS Webpage [here](#). Prescription medications need to be brought in before the first day of school to ensure everything is in order. Any medication identified as a controlled substance, such as medication for treatment of ADD/ADHD, anxiety, or pain, must be delivered to the school office by a parent, guardian, or other responsible adult. These medications must be in a pharmacy-labeled container, placed in a sealed envelope, labeled with your child's name, and if in pill form, the number of pills sent.

Medications classified as non-controlled substances, such as antibiotics, eye drops, and inhalers for the treatment of asthma, may be sent to school with a student, although we prefer to have them before the first day of school. These medications must be in a pharmacy-labeled container, placed in a sealed envelope, labeled with your child's name, and if in pill form, the number of pills sent.

If your student has a known food/bee allergy or history of seizures or migraines, please fill out the health forms that can be found on the WRPS Webpage [here](#) and return them to the nurse before the first day of school so our staff can adequately treat your child as needed.

Vaccinations

Instead of waiting until your child's yearly wellness check, you can schedule a "nurse only" visit for needed vaccinations. Children who do not have the required vaccines or waiver on file will be excluded from school after 2 legal notices have been sent. If you don't plan to immunize your student there is a waiver available that must be filled out and returned before the start of the next school year (You can open the link [here](#)).

Age/Grade Required Immunizations (Number of Doses)

Grade 9 through grade 12

4 DTP/DTaP/DT/Td, 1 Tdap2, 4 Polio, 2 MMR, 2 Var3, 3 Hep B

COVID Guidelines

Students will just stay home if not feeling well and are unable to participate in class (or if they have a fever). If a fever is present, they should stay home until fever-free for 24 hours (without using fever-reducing medication). There are no masking stipulations. We are not tracking cases at all.

Illness

As a general rule of thumb, please keep your student home if they are not feeling well enough to attend or until fever-free (less than 100.4 degrees) for 24 hours without the use of fever-reducing medications. Please keep your student home until diarrhea/vomit free for 24 hours past the last episode.

Anytime your student is seen by a healthcare provider for any illness or medical appt, please ask for a doctor's note to excuse them (they are allowed 10 days per year before a doctor's note is required)

Bridging Brighter Smiles Reminder.....

RECEIVE DENTAL CARE RIGHT AT SCHOOL! Bridging Brighter Smiles will be providing dental services at Lincoln High School and River Cities High School during the school day. Dental services include Oral Screening, cleaning, fluoride, etc. Forward Health (Badger Care) is accepted, they do not accept private dental insurance, and charitable care is offered for those students who do not have the financial resources to access dental care. You can sign up now, turn in the enrollment form to the main office or enroll online at enrollment.bbsmiles.org. Questions? Call 262-896-9891.
