

Hello THINK Academy Families!

Welcome to May and hopefully spring like weather! Happy Teacher Appreciation Week to all of the teachers at THINK Academy who are so dedicated to the success of all our kiddos! Our teachers are PRICELESS!!!!

I want to thank you for working as a team with your child's teachers and helping to keep the kids engaged in learning and some sense of normalcy these last months of school. I look forward to seeing ALL the pictures that you are sharing with the school. I miss the kiddos very, very much!!

Here is some information about the end of the year.

1. You will receive a letter home Monday that explains how the progress of your elementary student will be reported on the Year End Progress Report. This will be the procedure across the district for all 4K-5th grade students.
2. You can expect the teachers to continue sending home enrichment activities and resources through May 22, 2020.
3. During the week of May 26th - 29th, teachers will be planning some fun "wrap up" activities with the students to help celebrate the year that we have just finished. They will not send home 2 "lessons" that week.
4. We are planning for family pick up of students' belongings and classroom materials, art projects and yearbooks during the week of May 26th - May 29th. Families will also drop off any school materials, like library books or technology, at that time. Stay tuned for more information to come about how this will be handled when the date gets closer.
5. The teachers and I will be making our last communication home for the school year during the week of June 1-5. There will not be lessons or "work" going home that week.
6. Throughout the end of the year, the school office will be closed. However, if you need to reach me or Amy, please call the school. We may be there, or you may leave a message and we can get back to you.

If you have any questions about this schedule, please reach out to your child's teacher or to me or Amy in the office.

Once again, thank you for your support and your willingness to work together with the school. We are in this together and we will be stronger if we continue to work together!

In appreciation for EVERYTHING you do!

Roxanne Filtz

Principal of THINK Academy
