 Grant Elementary-WRPS

From the Desk of Mrs. Calteux....

Hello Grant Families,

I am in awe of how incredibly fast time is flying. It seems like yesterday was the first day of school and here we are at the end.

As you prepare for summer vacation, I want to take this opportunity to remind you of the importance of reading and continuing to learn throughout the summer. Reading is a great way to keep your child's mind engaged and prevent the "summer slide." Encourage your child to read for pleasure and explore new topics that interest them. Our reading program for the summer is available through McMillan Library. Be sure to check out the great opportunities that are happening throughout the summer!

I also hope you spend a lot of quality time with your family. Take advantage of the warm weather and explore the outdoors. Go for a hike, walk through our Grant School Forest, visit a local park, or take a trip to Wazeecha. These experiences will create lasting memories for your family and we look forward to hearing about all of your fun adventures in the fall!

Future dates to mark on your calendar:

*Mid-August - Students will find out who their teacher will be for the 2023-24 school year

*August 30th - Back to School Open House - 3:00-5:00

*September 5th - First Day of School

As we reflect on this school year and look forward to the warm summer days, my sincere hope is that you all have a safe and healthy summer. Thank you for your continued support and partnership here at Grant. I look forward to seeing you all in the fall!

Mrs. Calteux
