

Title VI Public Meeting

April 14, 2026
4-4:30 PM

**WRPS Central Office
510 Peach Street
Room A/B**

The goal of the Title VI at WRPS is to engage families in supporting the cultural, language, and educational needs of Native American students. Title VI ensures students meet or exceed state educational standards, with funding from the Federal Department of Education and administered through WRPS. These meetings provide an opportunity for families to help shape the program's objectives and priorities.

Topics Will Include:

- Review of Title VI funds and expenditures.
- Annual review of Indian pupil academic achievement data (including performance or achievement data)

There will be an open forum to address any recommendations and/or questions that anybody may have.

To satisfy the requirements of our Department of Education Formula Grant, this is an informational public hearing to address any recommendations and/or questions that anybody may have related to the Title VI programming.

Feel free to attend.
