Celebrating Big Brothers Big Sisters Month

Every September, Big Brothers Big Sisters of Central Wisconsin (BBBSCW) recognizes the impact of its programming, mentorship, and matches during Big Brothers Big Sisters Month. 2024 marks the 120th anniversary of Big Brothers Big Sisters.

The mission of BBBSCW is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. As an organization, we believe every child has the potential to do exceptional things. All children, regardless of background, can benefit from having a positive influence in their life that can give them undivided attention. Someone that can remind them how important they are and give them a safe space to express their thoughts, feelings, and aspirations.

Children ages 6-16 can take part in Site-Based mentoring at Howe Elementary or in our Community-Based program. Either program encourages matches to take part in low-cost/no-cost activities like board/card games, crafts or going places like a park or library. Regardless of the activity, these matches develop a friendship through shared interest and experience.

If your child is interested in being connected with a mentor or you know of someone that would make a great mentor, please visit our website at www.bigimpact.org or call our office at 715-341-0661.
