***Important* !! Vaccinations !!** **NEW Requirements! 2024-2025**

~WRPS Nurses~

ALL VACCINATIONS DUE NO LATER THAN 10/14/2024.
EXCLUSION FROM SCHOOL STARTS 10/15/2024.

Instead of waiting until your child's yearly wellness check, you can schedule a "nurse only" visit for needed vaccinations. NEW requirement changes per the Wisconsin Department of Health Services are starting in the 2024-2025 school year. **PLEASE, read all of the information.** For full information on the new immunization requirements visit this link [Immunization Requirements](#).

***NEW* Required Immunizations**

****The change will go into effect for school-age children at the start of the 2024-2025 school year.**

For entry to kindergarten through seventh grades, students need:

- 4 doses of polio vaccine
- 3 doses of hepatitis B
- 4 doses of DTaP/DTP/DT/TD
- 2 doses of varicella (chickenpox)*
- 2 doses of MMR
- 1 Tdap at seventh grade

NEW* • 1 MenACWY-containing vaccine at seventh grade**

For entry to 12th grade

NEW* • 1 MenACWY-containing booster (2nd dose in series)**

Note: A second dose of MenACWY-containing vaccine should be administered between the ages of 16 and 18 years to students who received the first dose of MenACWY-containing vaccine between the ages of 11 and 15 years. A second dose is not required for students who received their first dose of the MenACWY-containing vaccine at age 16 years or older.

***IF YOU MADE AN APPOINTMENT FOR VACCINATIONS, PLEASE LET YOUR SCHOOL NURSE KNOW IT'S IN PROCESS, AND TURN IN VACCINATION RECORD AFTER.**

****If your child should not receive any current or new requirements, please discuss them with your child's doctor, and provide a signed waiver. The updated student immunization record form/waiver is available here: [Student Immunization Record](#). You can also find this form on our WRPS website, under "FAMILIES", and "HEALTH INFORMATION," in the "IMMUNIZATIONS" link.**

*Parents or adult students may still claim a personal conviction, medical, or religious waiver for these new requirements.

***NEW* MenACWY**

*****Starting with the 2024/25 school year students entering 7th grade and 12th grade will need to provide documentation of receiving the MenACWY-containing vaccine. Students entering grades 8 -11 during the 2024/25 school year will not be affected, and will not be required to have documentation of MenACWY. Students entering 12th grade will need two MenACWY vaccines and those entering 7th grade will need one MenACWY. Those 12th graders who received their first dose of a MenACWY-containing vaccine at age 16 or older are not required to have a booster, only the first MenACWY-containing vaccine. Families are able to sign medical, religious, or personal conviction waivers for this requirement.**

***NEW* Varicella**

Starting with the 2024/25 school year and moving forward in subsequent years, any new enterer in early childhood, 4K, or students K-12 who are claiming an exception to the varicella vaccination requirement because they had chickenpox disease will need to meet the verification requirement of such disease. This verification must be provided by a qualified health care provider (M.D., D.O., N.P, or P.A.). **New enterer:** means any student enrolling in a Wisconsin school for the first time. This typically means all pre-K and kindergarten students, and students transferring from an out-of-state (non-Wisconsin) school.

Students enrolled during the 2023/24 school year who have parental reports of chickenpox disease are not required to submit verification of such disease by a qualified health care provider unless the status of the student changes such as they move out of state and then re-enroll.

Parents may contact Wood County Public for information about the Immunization Clinic at 715-421-8911 to see if their child is eligible. See brochure for more information. [English & Spanish Brochure](#).

Dear Seniors and Senior Parents:

The Ahdawagam production is an all-digital process. The procedure for this process is listed on the wrps website. For your reference, I have also included the information below:

Senior picture deadline: 11/30/24

Upload directly to Jostens at <https://photos.jostens.com/TP4U7E>. Label the file with the student's name. If no picture is received by the deadline, the school identification (ID) photo will be used. Head & shoulder front view only. **NO HANDS. No PROPS.** JPG or TIF image preferred.

Please review the specifications below PRIOR to submitting the photo.

For the 2024 book, we will use color portraits. They must meet these specifications:

- Head and shoulder shot only; no extreme close-ups or full body shots
- No hands in the portrait
- No props such as hats, hobby paraphernalia, sports uniforms, or pets, Plain or subdued background – outdoor sittings, while popular, often create glare that is distracting.
- Appropriate clothing (no deeply-cut necklines, off-shoulder shirts, or inappropriate messages)
- No text or special effects
- No black and white photos -- only color photos should be submitted.

Should the student select a portrait that does not meet these specifications, we reserve the right to reject it, and the student will be asked to have another portrait taken.

Our FIRM deadline for accepting photographs is November 30, 2024. The school takes ID photos every year, and we will use the ID photo if we do not receive one by the deadline. Due to the trimester schedule, we cannot extend due dates.

Thank you for your assistance. We could not produce the Ahdawagam without your support. If you have any questions, I can be reached at 715-424-6750 or at kurt.jensen@wrps.net via email.

Thank you,

Kurt Jensen

Ahdawagam Adviser
