

HELP US HELP LOCAL FAMILIES

DONATIONS TO THE FOOD SERVICE ANGEL FUND HELP
LOCAL FAMILIES PAY OFF LARGE NEGATIVE BALANCES

WHY DONATE?

Our caring staff ensures no child goes hungry, providing breakfast and lunch to every student, regardless of their account balance. However, this commitment results in many families accruing significant negative balances. Your donation directly supports these students, helping to pay down their Food Service accounts and ease the financial burden on local families.

WHAT IS THE FOOD SERVICE ANGEL FUND?

The Food Service Angel Fund is a designated account managed by the Food Service Department. It provides anonymous financial aid to families who are struggling to pay their student's meal accounts, helping to directly offset their costs.

WAYS TO MAKE DONATIONS:

- Cash or checks made out to 'Food Service Angel Fund' can be dropped off at any school or the district office
- Money can be transferred from your student's account to help another student in need. Please call 715-424-6703 to make this request.
