Singers Wanted!

To start the 13th season of the Central Wisconsin Choristers, the choir has a few openings for new members. The CWC is a community children's choir open to 3rd through 8th graders who enjoy singing. The home of the CWC is the Central Wisconsin Cultural Center in Wisconsin Rapids, and its members come from Rapids, Stevens Point, Rudolph, Plover, and other surrounding areas. Choristers receive private or small group lessons each week, in addition to the weekly whole choir experience, and present two or more concerts each year.
