Dear Parents/Guardians,

Unfortunately, due to a lack of available licensed staff members to operate our annual summer swim program, the Wisconsin Rapids Public Schools will not be offering summer swimming lessons during the summer of 2024. We sincerely hope this is a temporary situation and that qualified employees will be available to operate swim lessons in the summer of 2025.

As an alternative, the District is going to be offering two open swim sessions per day, Monday through Thursday, throughout the summer as indicated below:
