

# Join us!

**Wingra Wind Quintet is holding a student outreach  
at 3:00 pm on Thursday, January 22, at the  
Performing Arts Center of Wisconsin Rapids.**

**Mead Witter Foundation is sponsoring a FREE master class for area students, led by Wingra Wind Quintet of the Mead Witter School of Music in Madison. The quintet will perform a few pieces and use them to explore a range of rehearsal and benefit techniques applicable to students on all instruments. Sometimes referred to as “informances,” these workshops offer a good overview of what to expect when performing. There will be time for Q&A as well.**

**Call The Arts Council at 715.424.2787 to register. All transportation costs for attendees will be covered by The Arts Council.**
