April 30, 2020

Dear Parents/Guardians:

Due to the extended "Safer at Home" Order issued by Governor Evers, our original plans for summer school programming have changed. If you have already registered for summer school classes, we will be cancelling that registration. If you would like to participate in the new sessions being developed as outlined below, you will need to re-register once enrollment opens up.

Plans are underway to provide summer learning opportunities for students in shortened, two-week sessions which will include swim, gymnastics, tennis, and a few new offerings at the middle school level. Once the new summer school schedule and offerings have been established, we will open up enrollment - likely toward the end of May. In terms of the schedule, we are *tentatively* considering hosting two, 2-week sessions for summer school. The potential dates for programming are July 6-17, 2020 and July 27-August 7, 2020.

Again, the schedule is tentative and more information will be shared as soon as we are able to. It is unfortunate that we are unable to offer summer school opportunities as originally planned, but we are working hard to come up with an alternative schedule and learning experiences that will be richly rewarding for your children to participate in.

If you have any questions, feel free to contact Summer School Principal Bill Oswald at william.oswald@wrps.net or Enrollment Coordinator Jean Westover at jean.westover@wrps.net.

Thank you,

Bill Oswald
Summer School Principal
