August 11, 2020

Dear Parents and Guardians:

On Monday, August 10, 2020, the Board of Education officially approved the WRPS Reopening Plan as was communicated to parents and guardians on [Tuesday, August 4, 2020](#). Their approval did NOT change any aspect of the plans that have been shared with parents.

On Wednesday, August 12, 2020, parents and guardians will be receiving information from their child(ren)'s specific school(s).

If you haven't done so already, please remember to complete [THIS form](#) if you do NOT want your child(ren) to attend in person in any capacity and District staff will reach out to you to develop a plan. You *do not need to complete the form again* if you've already done so.

All parents and guardians need to complete the Online Enrollment Verification (OEV) process regardless of the instructional model their student(s) will be participating in (in-person or virtual). A message was sent out to families yesterday concerning the OEV process, and I've also included those instructions with this letter. Note that new students/families to the District have just recently had their Family Access log-in information sent to them via the U.S. Mail. Please be sure to complete OEV prior to attending or participating in any open house or orientation. Contact your individual school if you have any questions about OEV.

We look forward to working with all of our students and families in the upcoming school year to provide the best educational opportunity possible given these unique and challenging times.

As always, if you have any questions or concerns please feel free to contact me at 715-424-6701 or by email at craig.broeren@wrps.net.

Sincerely,
