IMPORTANT: Please complete step 1 and 5 on the opposite side of this letter and attach a current immunization record. If you don't have an immunization record, you still need to complete steps 1 and 5 and return this form. Make sure to check one of the permission options in step 5.

Immunizations (also called vaccines or shots) are one of the most important ways to protect children from diseases. Immunizations are especially important for school-aged children because children in school are regularly in close contact with others who may be able to spread these diseases. Making sure that every student is up to date on their immunizations ensures students, educators, staff, families, and communities can stay safe, healthy, and in school. Illnesses such as meningitis, chickenpox, polio, measles, and more, are preventable with immunizations.

For the upcoming 2023-24 school year, all students will need the following immunizations or an appropriate waiver.

Kindergarten-6th grades

4 doses of polio

3 doses of hepatitis B

2 doses of varicella (chickenpox) or history of disease documented by a qualified health care professional

4 doses of DtaP/DT/Td

7th-11th grades

All the previously required vaccines, plus:

1 dose of Tdap

1 MenACWY-containing vaccine

12th grade

All the previously required vaccines, plus a booster dose of a MenACYW-containing vaccine.

Those students who have not received their first dose by age 16 should only receive one dose.

What can you do?

- Make sure your child is up to date on their vaccinations by checking your child's immunization record. Visit the [Wisconsin Immunization Registry](#) to see if your child is missing or coming due for any immunizations.
- Clinics, local health departments, and pharmacies may be able to give vaccinations. Immunizations are covered by most health insurance plans. If you do not have health insurance, or your health insurance does not cover immunizations, the Vaccines for Children (VFC) program may be able to help with the cost of immunizations. For more information on the VFC program visit: <https://www.dhs.wisconsin.gov/immunization/vfc-parent.htm>.
- Complete and return the [Student Immunization Record form](#) to your child's school.

For more information, please talk with your child's health care team, school nurse, or visit the [DHS website](#).

STUDENT IMMUNIZATION RECORD

INSTRUCTIONS TO PARENT: COMPLETE AND RETURN TO SCHOOL WITHIN 30 DAYS AFTER ADMISSION. State law requires all public and private school students to present written evidence of immunization against certain diseases **within 30 school days of admission**. The current age/grade specific requirements are available from schools and local health departments. These requirements can only be waived if a properly signed health, religious or personal conviction waiver is filed with the school. The purpose of this form is to measure compliance with the law and will be used for that purpose only. If you have questions regarding immunizations, or how to complete this form, contact your child's school or local health department.
