

Lincoln Student Represents Wisconsin in National Competition

The Educators Rising National Conference 2019 was held from June 22–25, 2019, in Dallas, Texas. Over 1,300 students and teacher leaders gathered together under the theme, “There’s power in student voice.” Participants spent four days learning, competing, networking, and leading their own sessions as well as attending sessions keynoted by educator and author, Jose Vilson, and 2019 National Teacher of the Year, Rodney Robinson.

Students had the opportunity to compete in 18 competitions ranging from Children’s Literature, to Lesson Planning and Delivery, to Public Speaking. Our own 2019 graduate, Kaitlyn Schoff, represented the state of Wisconsin in Educators Rising Moment competition! It was a great experience for all involved.

For more information regarding Educators Rising - Wisconsin Rapids, please contact teacher leader Valerie DeVries-Polman at Valerie.DeVries@wrps.net.
