

LINK CREW WELCOMES FRESHMEN TO THE 2020-21 SCHOOL YEAR

Fifty-five "Link Crew" leaders led over 250 freshmen at an orientation session held at Lincoln High School during the week leading up to school opening! Link Crew welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Built on the belief that students can help students succeed, Link Crew members from the junior and senior class trained during the summer to become Link Crew leaders. As positive role models, these leaders will guide the freshmen to discover what it takes to be successful during the transition to LHS. They will also provide the freshmen support and guidance through the challenges that high school poses, help with the transition to a larger school, and provide pointers on how to succeed not only within the school, but also in virtual settings. Welcome class of 2024!
