Game Time/Serve:

- Players may spin a racket to determine the serving team. Winner of the spin has the option of serving first or receiving.
- A game will consist of one game to 11 points, serving team only. There is no cap; win by 2 points.
- Players must keep one foot behind the back line when serving.
- The serve is made underhand. The paddle must pass below the waist. The server must hit the ball in the air on the serve. (The server may NOT bounce it and then hit it.)
- The service is made diagonally cross court and must clear the non-volley zone.
- Only one serve attempt is allowed, except if the ball touches the net on the serve and lands in the proper service court. Reserve will be granted.
- At the start of each new game, the first serving team is allowed only one fault before giving up the ball to the opponents.
- Thereafter both members of each team will serve and fault before the ball is turned over to the opposing team.
- When receiving team wins the serve, the player in the right hand court will always start play.

Fault:

- Hitting the ball out of bounds

- Stepping into the non-volley zone and volleying the ball
- Volleying the ball before it has bounced once on each side of the net, serving.

- The game is played to 11 points, must win by 2 points.
- A ball landing on any line is considered good.

Player Conduct:

- **No hats.**
- The City of Wisconsin Rapids Parks & Recreation Department Leagues require strict enforcement and compliance with MSTC and School Board rules of **no smoking, no food consumption and no alcoholic beverages, as well as no horseplay** by adults and children or dependents of players in the school halls and locker rooms. Please cooperate so we do not lose the privilege to use the facilities by the Board of Education or MSTC. Children must be supervised by an adult/guardian/babysitter and to remain seated as spectators. (Remember that MSTC hosts night classes.)
- No street shoes or bare feet are allowed on gym floors. Any player or spectator breaking this rule shall be ejected from the league.
- Unsportsmanlike conduct, disorderly conduct, such as profanity, abusive or obscene language, excessive jockeying and baiting, etc., will not be allowed by players or spectators. We have ZERO TOLERANCE rule. Simply, person will be ejected from the league; spectator will not be allowed to spectate for the remainder of the season.
- Teams are responsible for their spectators. Unsportsmanlike actions by spectators can subject teams to penalty.
- If there are trash cans at your gym, please use them. If not, please take your litter with you.

Make-Up Days:

- Days called off due to weather will not be rescheduled by the Parks & Recreation Department.

Open Court Rotation of Play Guidelines:

- Paddles must be queued up for open play.
- Two queues will be provided for the open play courts. The primary goal of having two queues is to better mix up players and prevent pairs coming off a court from potentially repeatedly playing together.
- Standard play rotation is "2 out, 2 in", once 8 or more paddles are in queue, rotation will be "4 out, 4 in".
- Under "2 out, 2 in", when a game ends, the winners stay on and split up. The second place finishers come off the court and split their paddles into the two queues provided.
- Under "3 out, 4 in", when a game ends, all 4 players come off the court and both teams split their paddles into two queues.

Etiquette

Please DO NOT:

- Criticize opponents or your partner's play.
- Give suggestions or advice on partner's or opponent's style/technique of play unless asked.
- Coach players from off the court unless feedback is requested.
- Argue about a line call – players call the ball the best they see it, and this is "fun" recreational play, so please keep it that way.
- Walk through the courts during play; wait until the play stops between the serves.
- Use abusive language; verbal comments of detrimental nature during a game are unacceptable.
- Gloat or applaud an opponent's mistake; this is unsportsmanlike behavior.
- Remove a paddle out of the "slot" it has been placed by the owner; mix in with waiting players, be courteous to the players wishing to sit out a game or two.

Do MORE of:

- Introduce yourself if you do not know one of the team players.
- Compliment your opponent or partner for a well-made shot; this is always acceptable.
- Talk about "calling your shots" to eliminate confusion over whose ball it is to return.
- Be helpful to new players; be willing to share rules and strategy for novice players.
- Be courteous if players want to play up a level to test their skills.
- The most important rule: HAVE FUN!
