MISSION STATEMENT

It is the policy of Wisconsin Rapids Public Schools to provide appropriate instruction during the summer at both the elementary and secondary levels. Summer School should be an integral part of the total school program offering a balance of courses which may be academic, enriching, remedial and applicable to the special needs of the pupils residing in the Wisconsin Rapids attendance area. Registration shall be open to all pupils. However, entrance requirements (such as grade levels) may be imposed for some classes and attendance in others may be required for some pupils. The Summer School Program will be reviewed annually and classes added or dropped depending on the needs of the pupils residing in the District.

WRPS PUPIL NONDISCRIMINATION STATEMENT

The School District of Wisconsin Rapids is committed to equal educational opportunity for all District students. The District will not deny any person admission to, participation in, or the benefits of any curricular, extra-curricular, pupil services, recreational or other program or activity because of a person's gender, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, transgender status, gender identity, or physical, mental, emotional or learning disability, or any other characteristic protected under State or Federal civil rights laws. Please review Board Policy 411 for additional information. Incidents of discrimination or harassment should be reported to a teacher, administrator, supervisor, or other District employee to be addressed or forwarded on to District Compliance Officer Brian Oswall.

GENERAL INFORMATION

Who can register for Summer School?

All students who enroll in the WRPS Summer Gymnastics, and Tennis Program must have either attended area public or parochial schools as a registered 5K through high school level student during the 2018-2019 school year, or currently reside within the District boundaries and/or participate in a home schooling arrangement. To register for swim lessons the student must be 5 by the time the lesson starts. Students who register for the 2019 Summer School Program must register for courses according to the grade level they are in during the 2018-2019 school year as opposed to their next year's grade level.

Summer Swim and Summer Gymnastics lessons are not offered for 4-Year-Olds.

(If online registration is not possible for your situation, please refer to the registration Open House schedule posted in each program section for dates, times, and locations.)

FEES and ATTENDANCE

There is no fee, or charge, for any resident or open enrolled student registering for a WRPS summer school class. However, it is very important that if you register your child for classes, they attend. Staff is hired and supplies purchased to meet the number of students who are registered. If your child fails to attend, the District will not receive financial support from the State for your child, while spending funds unnecessarily on staff and supplies for a child that does not attend. Students who fail to meet attendance expectations will be dropped from the course.

DRESS AND CONDUCT

Students are expected to wear appropriate swimsuits, gymnastics outfits, or tennis shoes.

NON-RESIDENT STUDENTS

Non-resident students are welcome to register and attend summer courses in swimming, gymnastics, or tennis. A non-resident fee of \$40.00 per course is required and due at the time of registration.
