III. Business Services

A. 66.03.01 InterDistrict Agreement – Approval

The Virtual program operated by the District has attracted a number of students from School Districts around the State. The Department of Public Instruction does not allow open enrollment into the Wisconsin Rapids Virtual program, however non-resident students are allowed into the program provided the resident School District agrees to a cooperative 66.03.01 agreement. Any additional cost to provide Special Education services under each agreement remains the responsibility of the resident School District.

The District with which we need an approved 66.03.01 agreement at this time is as follows:

**Student In**  
Stevens Point School District – 1 student – Grade 4 – Virtual

The administration recommends the 66.03.01 cooperative agreement for a student attending the Virtual program from the Stevens Point School District as listed be recommended for approval to the Board of Education.
