#### Roll Call

Superintendent Colleen Dickmann informed the Board that final numbers have been received from the State concerning the amount of aid that will be provided to the District for the 2013-14 fiscal year. While General Aid has increased slightly from the June projection, equalized values have decreased significantly from the original projection in June, and enrollment numbers continue to decline. For these reasons, the administration is recommending approval of a 2013-14 Tax Levy in the amount of \$21,950,098 which represents a \$110,584 increase over the recommended levy in June.

Mr. Daniel Weigand, Director of Business Services, explained that on a \$100,000 home, the recommended levy would represent an approximate \$5.26 additional increase to taxpayers over the levy approved on June 24, 2013. Mr. Weigand answered questions of the Board.

**Motion by John Benbow, seconded by Sandra Hett to approve a 2013-14 School Tax Levy in the amount of \$21,950,098. Motion carried unanimously on a roll call vote.**

President Krings adjourned the meeting at 5:47 p.m.
