- III. Actionable Items
 - A. Establishing Class Size for Open Enrollment

The administration recommends approval of the class sizes, sections, special education caseloads, and new spaces available for the February 2015 Open Enrollment window, per tables on DPI's PI-9422 form, "Record of Decision of Appeal of Open Enrollment Denial Due to Space," for accepting or denying Open Enrollment applications for the 2015-2016 school year (Attachment A).

- IV. Updates
 - A. Language Arts Curriculum and Instruction (CII) Sub-Committee Update

The Language Arts Curriculum and Instruction (CII) Sub-Committee has been working very hard on each phase of the eight year CII acquisition cycle. The committee has broken into secondary and elementary work groups to accomplish the necessary steps in the cycle. Secondary Language Arts will be ready to bring a curriculum and acquisition plan to the Educational Services Committee for approval in the spring of this school year. Elementary Language Arts will do the same in the spring of 2015-16. Jen Wilhorn, Elementary Literacy Specialist and Roxanne Filtz, Secondary Literacy Specialist, will be present to provide an update on the progress of the Language Arts CII Sub-Committee.

- V. Consent Agenda Items

Committee members will be asked to decide which items should be placed on the consent agenda for the regular Board of Education meeting.
