III. Business Services

A. 66.03.01 InterDistrict Agreement – Approval

The Virtual program operated by the District has attracted a number of students from School Districts around the State. The Department of Public Instruction does not allow open enrollment into the Wisconsin Rapids Virtual program, however non-resident students are allowed into the program provided the resident School District agrees to a cooperative 66.03.01 agreement. Any additional cost to provide Special Education services under each agreement remains the responsibility of the resident School District.

The District with which we need an approved 66.03.01 agreement at this time is as follows:

Students In			
Eau Claire	– 4 students	– grades 4K, 1, 2, 3	–Virtual

The administration recommends the 66.03.01 cooperative agreement for students attending the Virtual program from the Eau Claire School District as listed be recommended for approval to the Board of Education.

IV. Updates and Reports

A. Purchases – Update

Listed as Attachment A are copies of an invoice from Mid-State Technical College for Instructional Services and a proposal from Heartland Business Systems for a three year renewal of the Mitel Phone System for the School District.

V. Agenda Items

Committee members will be asked which agenda items from the Committee meeting will be placed on the consent agenda for the Regular Board of Education meeting.
