

Wisconsin Rapids Public Schools
2023-24 Budget - 10/23/2023

The General Fund is used to account for District financial activities for current operations, except those which are required to be accounted for in separate funds. In 1993, Wisconsin Statute 121.90 created a revenue limit formula that placed a limit on the revenue a school district is entitled to receive from general state aid and local tax levies. The maximum revenue limit is based upon enrollment changes, allowed per pupil change determined by state law, each district's prior year controlled revenue and other factors. State equalization aid and local tax levies are the primary revenue sources for the General Fund. The majority of the Fund 10 - Fund Balance is utilized for working capital needs.
