

130 SCHOOL BOARD LEGAL STATUS

The School District of Wisconsin Rapids conducts its affairs through an elected Board of Education. The Board derives its authority to govern the district directly from the Wisconsin Constitution and state law. The Board shall act as an agent of the State in developing an educational program in accordance with laws governing public education and unified school districts.

The Board shall consist of seven members chosen from the district at large at the regular spring election. Board members shall serve for a term of three years from the fourth Monday of April and/or until their successors are elected or appointed and seated.
