

131 SCHOOL BOARD ELECTIONS

Board members shall be nominated and elected in accordance with state law. Before taking office, a Board member must take and file the official oath of office in accordance with State Law.

To assure an accurate accounting of the election ballots, the Board clerk, with the approval of the Board, shall cause to be employed two election canvassers for the express purpose of tallying the election ballots.

Election canvassers shall be paid an honorarium as approved by the Board of Education.
