

253.5 DEVELOPMENT AND APPROVAL OF INFORMATION HANDBOOKS

Student, teacher, and parent handbooks describing individual school operations may be developed to provide information to students, parents, and the community at large.

All handbooks for purposes of this sort shall be developed consistent with Board of Education policy, state, and federal law.

Copies of such handbooks, when developed, shall be provided to the Board of Education.

APPROVED: January 13, 1997

REVISED: December 11, 2000
